

Bucks Win One, Lose One

The Hoke High Varsity Bucks wrapped up this week's play with a third loss to Lumberton, 64 - 44, and a conference win against Richmond County, 72 - 59.

The Lumberton team made a run away out of a close ballgame during the last quarter of play in the Hoke gym Friday.

According to Buck's Coach Rodney Johnson, "We felt we had control of the tempo first half." First quarter score was 13 - 10 Lumberton, and second quarter ended with 28 - 22 Lumberton.

"For about a four minute stretch we collapsed," Johnson said, "and they scored easy baskets just blowing us out of the gym." Lumberton player Larry Gore playing from the outside scored a total of 28 points against Hoke, and was instrumental in obtaining the third quarter lead 44 - 33, and the final score of 66 - 44.

Disappointed in this conference loss, Johnson expressed a great satisfaction in the performance of some of his younger players. "Those boys did not start, but they played a lot and played well. And, I think these young kids learned from their mistakes. I'm expecting to see some good action from them next year," he said.

Johnson called the Lumberton team a very patient, well coached team. "We just got too impatient to score and lost control," he added.

Scoring broke down like this: Brown, 14; Morrison, 12; Black, 4; Thompson, 8; Carpenter, 2; and Cobb, 4.

The 72-59 victory over Richmond County Feb. 1 was "something we've been waiting for since Christmas", Johnson said. Defensively the team did a real fine job.

The Richmond competition, also played here, produced the best balanced score of the year: Marcus Brown 12; Vernon Morrison, 12;

Allen Black, 4; Harold Thompson, 13; Kenny Carpenter, 12; and Dennis Purcell, 2.

Two junior varsity players, sophomores Andre Cobb and Nathan McNeill, were brought up and scored 6 and 11 points respectively. Again Johnson praised the performance of these younger players noting that, "they are good rebounders and good scorers. They play taller than they are. They average around 6'2" and I'm expecting them to grow. This experience will be good for them."

The Richmond game also saw Hoke's best rebound effort for the season. Allen Cobb and Harold Thompson had eleven rebounds apiece, Kenny Carpenter scored 9 and Marcus Brown, 7.

Richmond led Hoke at the end of

the first quarter with 17 - 16, but Hoke soon rallied and finished the half leading 39 - 28. Third quarter saw a score of 54 - 45, Hoke. At one point during the fourth quarter Richmond cut the Hoke lead to one point, but the Bucks dug in and won by 13 points.

Johnson commented, "The future of basketball in Hoke County is very bright. I get excited watching the play of young people like Thompson, Cobb, McNeill, Blue, McKoy and Everett. Their performance gives me great optimism."

He added, "We are looking to see everyone out to see the Seventy - First game. One of our traditional rivals, Seventy - First has done well the second half of the season. It should be a good game."

WORK -- Mrs. Rachel Locklear, [standing] a former teacher's aid in the Work Experience Component of CETA, has been selected by the state for full time employment as a teacher's aid for the TMR class at Upchurch School. This CETA program, sponsored by Lumbee Regional Development Association in Pembroke, accepted Mrs. Locklear in 1975 and paid her salary while she gained experience working as an aid and attended Sandhill Community College part time. The purpose of the program is to groom and prepare participants for full time employment.

Lady Eagles Victorious

The Lady Eagles defeated Wicker 44 - 25 in Wednesday's action to compete a 9 - 1 season.

C. Love led the Eagles' attack with 18 points, A. Thomas had nine, D. Love seven, C. Black and M. Haynes four, and J. Blackshear scored two points. S. Womble led the Tigers with seven points.

The Eagles went in a halftime with a 17 - 16 edge after trailing 4 - 7 after the first quarter. The Tigers were held scoreless in the third period while the Eagles compiled 11 points.

The Eagles kept up the attack to outscore Wicker 16 - 9 in the final period of play to conclude the 44 - 25 victory.

Deputies Promoted

Deputy A.S. Norton has been named as detective in the sheriff's department, replacing J.E. Lamont who resigned Jan. 16. Sheriff D.M. Barrington announced.

Norton, who was captain of the patrol division, was appointed to the new post effective Feb. 1.

Deputy J.R. Riley was appointed to the position of captain of the patrol division. Deputy J. Peterkin was named as shift supervisor.

Salary increases for the promoted men and deputy J.D. Thigpen, who recently was certified as a PIN operator, were approved this week.

Hoke Personnel To Attend Math Workshop

Assistant School Superintendent John D. McAllister, migrant education program director Mary Alice Morris and Charlotte Kelly, program recruiter, will attend a special regional workshop on the educational needs of migrant children in mathematics to be held Feb. 16-17 in Benson.

The local program to assist migrant students has been in operation for about two months. 44 students from all seven schools in the district have been or are participating.

The migrant education program was developed to assist children of migratory agricultural workers who fall behind in learning because of changing schools frequently and being absent for long stretches.

State Department of Public Instruction mathematics consultants, university personnel and local educators will serve as program chairmen and workshop leaders at the Benson conference.

Some 2,000,000 people live along Puget Sound, two-thirds of Washington's population, National Geographic says.
