# YOU PUT YOUR NAME ON THE LINE WHEN YOUR CUSTOMERS ARE YOUR NEIGHBORS.

We offer a lot of new fangled communications equipment at Carolina Telephone. But we back it up with an old fashioned brand of service.

Because the way we see it, the good neighbor policy is more than good business. After all, the customer we call on in the morning is the neighbor we'll be sitting next to at P.T.A. in the evening.

When people have a stake in the community, when you're involved in its improvement the way we are, being courteous and efficient with your customers comes just as natural as saying, "See you again tonight," to your neighbors.
