

# *They are the future!*

Your high school diploma marks a triumph in your life and indicates that you have the spirit and determination to achieve whatever goal you set for yourself. Congratulations for a job well done.

You will soon be responsible for the future of our nation in business, the sciences, technology and the arts.

As you move forward into other fields of endeavor, there will be new problems to solve and new situations to face. But we have faith in your ability to overcome whatever obstacles you may encounter in the years ahead.

We take particular pride in saluting those students whose parents are members of Burlington Industries' family of employees.
