**HINT:** When beating egg whites for cakes, souffles and meringues, allow eggs to come to room temperature before beating. This makes whites beat up faster and hold a higher volume.

The holiday season is rapidly approaching, and with it comes the concern of what to give whom and how much will it cost in dollars.

We must learn to plan purchases and to control spending. Of course this is easier to dream about than to do.

To keep holiday spending in the black get started no later than October, and strive to have no bills stemming from Christmas bills in January.

To keep holiday spending in the black I suggest the following

system. It will take lots of determination to be successful.

1. Resolve to get rid of habits that contribute to overspending:
  - a. use of credit cards
  - b. last minute decisions
  - c. purchasing gifts that are too expensive

2. Start now to plan your purchases. Have a discussion with your immediate family and make plans. Your plans should be written so that nothing is forgotten.

3. Make a list of things your family members can make, services they can perform, items you have received that could more effectively be used by someone else, or things that can be recycled.

4. Make a list of persons to be remembered with gifts during the holiday. Then list the gift you plan to give that person and estimate the cost. Then make a grand total.

5. If your cash is not adequate to meet your needs:
  - a. decide on less expensive gifts
  - b. get extra jobs to earn money
  - c. tighten up your total spending

6. Make a work schedule for getting gifts ready on time.

7. As you make expenditures shop for the best prices. Relax and enjoy your Holiday season with family and friends.

## Methodist Church Happy Hobby Harvest

Ingathering Season is with us. In the Raeford United Methodist Church it is called "Happy Hobby Harvest".

For the past two years that is exactly what it has been. It is a fun time - the fellowship is first rate.

At the bazaar you will find all kinds of goods. Each person's hobby is included.

The harvest is in: - sweet potatoes, soy beans, corn, cotton, fireplace wood, pigs, and chickens are included.

The Happy Harvest consists of events on two days three weeks apart. The annual Rummage Sale is scheduled for all day (9:00 a.m. - 5:00 p.m.) Saturday October 25th at Edenborough Shopping Center. In case of rain it will be held in the Fellowship Hall of the church.

A lunch, barbecue dinner, and auction sale will be held November 14, a Friday. The soup and sandwich lunch will be served in the

Fellowship Hall from 11:30 a.m. till 1:30 p.m. The dinner of barbecued pork and chicken will be served in the cafeteria of Mc-Lauchlin School, which is behind the church, from 5 p.m. till 8 p.m.

The auction sale will be held in the Fellowship Hall, starting at 7:30 p.m. This is another opportunity for widespread participation. The sale will continue till all items are sold. The public is invited to the activities.

The men of the church tell of great things that happen while they are sitting around the barbecue rack all night. The annual barbecue can't be beaten; it is cooked over a fire of real hickory wood chopped by the men.

The youth of the church participate by engaging in car washes and bake sales. This year they have been involved in a rock - a - thon in front of the church.
