

Burlington Reports Sales, Earnings Up

Burlington Industries, Inc., today reported higher sales and earnings for the fourth quarter of its 1981 fiscal year compared with the final quarter of fiscal 1980. Consolidated net earnings for the quarter ended October 3, 1981 were \$35,174,000 or \$1.25 per share on net sales of \$876,541,000. In the fourth quarter of 1980, consolidated net earnings were

\$7,743,000, or 28 cents per share on net sales of \$717,008,000. The translation of foreign currency items resulted in an increase of 22 cents per share for the quarter, compared to the decrease of 32 cents per share reported for the last quarter of fiscal 1980. For the 1981 fiscal year ended October 3, 1981, net sales were \$3,262,886,000 compared to

\$2,900,649,000 reported for fiscal 1980. Net earnings for fiscal 1981 were \$115,314,000 or \$4.10 per share on 28,098,000 average shares outstanding compared to \$81,330,000 or \$2.90 per share in 1980. The 1981 fiscal year earnings included a 90 cents per share gain due to foreign currency translation compared to a charge of 5 cents per share in 1980.

The Board of Directors previously declared a quarterly dividend of 38 cents per share payable December 1, 1981 to shareholders of record at the close of business October 30, 1981.
