

Motor Club Says

28 May Die In Holiday Traffic

The N.C. State Motor Club estimates 28 people may die in traffic accidents on North Carolina streets and highways over the upcoming Christmas and New Year's holidays, two of the most meaningful holidays of the year.

The state will count its toll from 6 p.m. Thursday, December 24, through midnight Sunday, December 27, for Christmas; and from 6 p.m. Thursday, December 31, through midnight Sunday, January 3, for New Year's.

Last year 19 were killed and 1,015 were injured over Christmas holidays, while 17 were killed and 826 injured over the New Year holiday. Each holiday was celebrated over a 102-hr. period.

"This prediction, as well as every other holiday prediction is always an unpleasant job, and we are always hopeful that our predictions will far exceed the actual loss of life at the end of the holidays," stated Dr. John G. Frazier, president of the statewide motor club.

"However, statistics cannot be ignored, and with each holiday we are hopeful that our message will reach more and more motorists, making them aware of the dangers and the fact that only the drivers themselves can help reduce the needless number of deaths that occur on our streets and highways," Frazier added.

The problem strikes at all segments of the population -- infants, the elderly, drivers, riders, and pedestrians. The facts show the tremendous loss of young people in their most vibrant and productive years. Approximately half of all highway fatalities are under 30 years of age.

Local and State Highway Patrol officers will be out in full force during the holiday period, concentrating on the speeding and drinking driver.

"Have a safe holiday", Frazier stated, "and help keep you and your loved ones out of the collision statistics."

Some of the Hoke County High students decided to write letters to Santa. A few are printed below:

Dear Santa,
I want a shiny red Datsun pick-up truck and a camper on back with a motorcycle to pull behind them. I'd also like a ski boat. If I don't receive the above I really don't care what I receive, I'm satisfied.

Thank you
Eric McGee

Dear Santa,
I want a little red wagon with a cowboy suit complete with guns and Venus McLaurin-wrapped in a red ribbon. I'm not greedy so please grant me these small gifts.

Thank you
Dennis Daniels

Dear Santa,
This Christmas I ask for my next year to be filled with relaxation. I also would like help with some of my work. If possible, it would be nice to have Health, Wealth, and Happiness; if you grant me Health and Wealth, I guarantee to make myself happy.

Love
Pam
Merry Christmas

Dear Santa,
I wish that as a nation we might all discover the true meaning of Christmas and take time from our busy holiday schedules to give thanks to God for the great gift given. I'd also like a pair of designer jeans, 9/10. I've been an excellent little girl.

Thank you,
Venus McLaurin

Dear Santa,
I would like to receive a truck and trailer from Hardees. I'd also like a bike to ride when I go to college next year. Most of all, I want answers to all my problems. Please deliver these gifts for your amiable little friend.

Thank you
Dana Connell

party over the holidays, please let someone do the driving for you. The Highway Patrol will be on duty and it could save you time and money besides the embarrassment of being taken to court.

Remember the life you save may be your own.

...
Last week while cleaning out my old desk here at the office, I ran across many things that had been pushed back in drawers that were put in there some years ago.

I found two badges that were worn at the 1961 Golden Jubilee of Hoke County. Now it doesn't seem like it has been over 20 years since this event was staged, but just think that in four more years, it will be time to stage the Diamond Jubilee.

Do you think it is time to start planning?

Also in one of the drawers I ran across an unused 3 cent post card. Now, of course, they sell for only 13 cents.

Yes when you clean out, you can

remember!

...
The following letter is self-explanatory:
Dear Sam:
The response to the "Share Your Christmas" project has been most gratifying. It now appears that 105 families will be assisted with toys, clothes, food and a bag of fruit. The spirit of the response by the community individuals, churches, and civic organizations and the amount of volunteers' time given by Woman's Club members have contributed to the success of this new program.

Every Woman's Club member joins me in thanking you and your staff for the wholehearted support you have given.

Merry Christmas and Happy New Year!

Sarah Leach
Project Chairman

To each and every reader of this column, Merry Christmas.

**ON-THE-JOB TRAINING (OJT)
CONTRACTS AVAILABLE**

The Comprehensive Employment and Training Act Project sponsored by Lumbee Regional Development Association is currently taking applications from local (Robeson, Scotland, Bladen, & Hoke Counties) businesses/industries to provide On-The-Job Training for CETA eligible clients.

The On-The-Job Training (OJT) is training in the private or public sector given to a participant who has been hired first by the employer and which occurs while the participant is engaged in productive work which provides knowledge or skills essential to the full and adequate performance of the job. The training duration may be from 6 months to 12 months depending on the complexity of the training, and the employer is reimbursed 50% of the participants wages (but not fringe benefits).

This is a great opportunity for local businesses/industries to train employees needed by the company at 50% of the cost.

If interested in acquiring an OJT contract please contact the following persons in each respective county for additional information and/or application form:

Mr. Willie Fay Sampson	Robeson County	521-9761
