CARD OF THANKS

To all my friends and neighbors: Many thanks for gifts, flowers, cards and all kindnesses shown during my recent illness. Hettie Kellum. 40P

CARD OF THANKS

I wish to thank everyone for their visits, cards, flowers and many kind deeds during my recent illness. Your thoughtfulness will always be remembered. Edith Ashburn Davis. 40P

CARD OF THANKS

I want to say a "Big Thank You" to all my friends and neighbors for the many thoughtful deeds shown to me during my two recent stays at Highsmith-Rainey Hospital. I was there Thanksgiving and Christmas, fifteen days each time. The cards, flowers and gifts were many and beautiful. Prayers and visits meant much to me, they made my days pass more rapidly. Since getting home I have been remembered in so many nice ways. I shall never forget one of you. Ethel L. Monroe. 40P

SCS Activities

by Sam Warren
District Conservationist
With stout price increases in plastics, it has become prohibitively expensive for most farmers to install drain tile where needed.
Why hasn't someone invented something to provide subsurface drainage at a lower cost? Good news - we now may have it.
A new tile design has entered the market called "arch-tile" that greatly reduces installation and material costs. With new design equipment it is "plowed in" using a giant subsoiler with grade set with laser beam. As yet, little or none has been installed in North Carolina, but in other states under most soil conditions, it seems to be performing quite well.
Together with several interested farmers, we have invited an architect contractor to come explain this new product and take installation requests on an experimental basis from interested farmers.
This meeting will be held at Raeford City Hall conference room Friday at 10 a.m. Refreshments will be served.
This program, just like all other of the Hoke Soil and water Conservation District is provided regardless of race, color, sex, age, or national origin.
