## Volunteers Seek Donations On Heart Sunday

Neighborhood volunteers visited residents in Raeford last Sunday to leave educational materials and ask for contributions to the Heart Fund, according to Mrs. Grace McDonald and Mrs. Becky Sutton, Heart Sunday chairman for the Hoke County Heart Association.

"Residents who were not at home found envelopes in which they could mail donations, and we hope that they will do so today, in order for us to complete our tally," Mrs. McDonald added.

"Although death rates from

heart and blood vessel diseases have been declining for the last three years, these diseases still kill more people annually than all other causes combined," Mrs. Sutton said. "So we ask for continued support of the Heart Association's life-saving programs of research, education, and community service

to heart patients and their families. All donations to the Heart Fund are tax-deductible," she added.

Mrs. McDonald pointed out that contributions may also be directed to Mrs. Barbara Lippard, Treasurer of the Hoke County Heart Association at the Bank of Raeford.
