### 40 Local Heart Golf Tourneys Set

Sherrill Austin, Hickory, chairman of the 1982 B B & T Heart Fund Pro-Am Tournament, reports that to date over 40 local first round qualifying tournaments have been confirmed.

Austin, while expressing pleasure with the early results, estimates there will be at least 60 local qualifying tournaments for the finals which will be held at Foxfire Golf and Country Club in Pinehurst on August 13-15.

Format for the local tournaments will be 4-man teams (playing at 75% of their current handicap), playing 18 holes, best net 2 balls of 4. The winning teams at the local tournaments progress to the B B & T Heart Fund Pro-Am Tournament to compete for a purse of \$10,000 divided among amateurs and professionals. (Amateurs receive gift certificates). An entry fee is charged only at the local level.

Any clubs interested in hosting a local tournament or interested participants should contact Nancy Williams, telephone (919) 968-4453, or Sherrill Austin, telephone

(704) 294-3737. Local tournaments may be conducted through July 23.

### Cleanup Slated April 24

Hoke County roadsides are scheduled for a "facelift" by young people Saturday, April 24.

That's the day set aside as Clean Up Litter: Youth Involvement Day throughout North Carolina.

The day is a special opportunity for the state's youth to participate in the Clean Up Litter Week in North Carolina, April 19-24, sponsored by the N.C. Department of Transportation (DOT).

The youth clean up project is being coordinated by the Youth Advisory Council in the N.C. Department of Administration's Youth Involvement Office. Last year 100 youth groups participated in the event, and Gov. Jim Hunt joined one group as they "policed" a stretch of Raleigh roadside. Coordinators hope to double participation this year.

"Although it would be impossible to clean the litter from every roadside in the state during this time, the clean up effort will be a boost," said Shelby Shore, chairperson of the Youth Advisory Council. "Past efforts have shown that many communities have a sense of pride after conducting a clean up and participants enjoy doing this satisfying work."

Young people who participate in clean ups tend to avoid littering and are quick to remind others to follow their example, according to

Mrs. Shore.

During Clean Up Litter Week, civic clubs and organizations pick up litter along highways in their area. DOT employees, who collect the bags of litter, will work on Saturday to assist youth groups participating in Youth Involvement Day.

Any group of young people, with adult supervision, may participate in the project. The group may be any youth organization or group who can organize themselves to get the job done, or a group of youth sponsored and organized by an adult organization.

For more information about how your group can help, contact Cari Whittington, Youth Involvement Office, 121 W. Jones St., Raleigh, N.C., 27611, or telephone 919-733-5966 by April 9.
