COMPLETES 30 YEARS -- Nellie Hazel Peebles recently completed 30 years continuous service at the Raeford Plant of Burlington Industries. Peebles has worked in the Preparation Department for her entire career at the local plant. She began as a quiller tender and in 1968 moved to the Backwinder. Peebles received a certificate, a diamond pin and a camera she selected for having completed 30 years. She is shown in the picture with her supervisor, L.B. Souls (left), and Bruce Dees, Preparation Department manager.

It takes an average of eighteen months for a one-dollar bill to wear out.
