School Board

(Continued from page 1)

ated, the commissioners might consider cutting out funds for the position.

The board also allowed to stand the superintendent's decision to transfer to a teacher aide position Brenda Parkins from her present job of secretary of McLauchlin School. Mrs. Parkins objected, saying she didn't know specifically what the complaints against her were and asked to be told so she could answer them. Autry, however, said Mrs. Parkins had been through the established grievance procedure for school system employees. He and members of the school board said they had received complaints from teachers and from people outside the school about Mrs. Parkins' manner in responding to questions, and that the management of the office was not satisfactory.

Mrs. Parkins asked whether she was fired if she didn't accept the teacher's aide job, and Autry replied that she would be appointed secretary at a school other than McLauchlin if a principal asked for her, but that the principal would be informed about the complaints made against her at McLauchlin.

On the audit contract, the board voted to let it again to Frank Baker of Pittard & Perry of Raeford, with Cameron voting "no." The action was taken after Baker agreed to match the lowest bid of \$3,250. He had bid \$3,750 originally. Cameron said this put the board in the position of choosing between two people, and that he would favor Baker if Baker were as much as \$25 lower than the other low bidder, Haigh & Von Rosenberg of Fayetteville.

The other bidder was Alton Buck of Fayetteville, who has proposed to do the job for \$3,500.

Mrs. Townsend expressed favor of Baker because, she said, of his previous performance for the school system, and board member Bobby Wright said that the board couldn't do as good with anyone else, for the money.

The new drug policy provides the following, among others.

A student caught the first time possessing or using a drug will be:

--Suspended from school for 10 school days.

--Turned over to the police or sheriff's Department for possible indictment.

--Required to attend 10 one-hour sessions on drug education.

On second offense, a student will be:

--Expelled from school for the remainder of the school year.

--Turned over to the police or sheriff's department for possible indictment.

--Allowed to attend the Excluded School for the remainder of the school year. Presently, a student expelled for a drug violation is allowed to attend the Extended Day classes, held during the afternoon and night. This was established for students unable because of jobs to attend the regular high school classes. Autry said that now the Extended Day classes will be used for the purpose they were created for.

The Excluded School will be for expelled students of the junior and senior high schools. The classes will run from 8 a.m. to 3 p.m., and the students will be allowed to ride a school bus to and from home and back. Presently, students must provide their own transportation to attend the Extended Day classes.

3 BR brick, central air condition, garage, built-in range, large corner lot. No down payment to qualified buyer. Payment adjusted to income. \$34,000.00. For more information call Hubert M. Moss Realty, 944-2050. TFC
