|---------------------------|--------------------------|
| 3 cups white beans (navy) | 2 onions, sliced thinly |
| water | 3 cups of bean juice |
| 1/4 cup chili sauce | 1/2 teaspoon dry mustard |
| 1 1/2 teaspoons vinegar | 1/2 cup dark molasses |

In a large pot, combine the dry beans and enough water to cover beans. Bring them to a boil, boil for 2 minutes then remove pot from heat. Let beans stand for 1 hour.

Combine the soaked beans with all above ingredients. The bean juice is the water in which the beans were soaking.

Put this mixture into an oven-proof crock or casserole. Bake at 300 F for 5 hours. Cover must be on all the time. If liquid evaporates, add more water.
