**A proven record
of service.**

During the time Judge Beth Keever served as the Senior Assistant District Attorney, responsible for supervising the prosecution of *all* criminal cases in District Courts, those courts had the highest efficiency ratings in the state according to a study conducted by the Administrative Office of the Courts. Recognizing her outstanding record, Governor Jim Hunt appointed Beth Keever to serve as our District Court Judge.

At a time when tax resources must be limited, we need judicial leadership with a proven record of hard work and effectiveness.
