SUMMER READING PROGRAM

JOAB -- "Just Open a Book," the title of our summer reading program is represented by a green frog by the name JOAB. There will be worksheets for each child who will be reading; K-6 grades. If you

have just finished sixth Grade you may join the reading program.

There will be frog footprints put on your reading chart for each book you read. Also, there will be large charts on the windows so everyone will be able to see how much you are reading. Your small chart will be kept here at the library for you to make sure you will know at all times where it is.

Registration will begin June 29. Please don't plan to register before then. We will be set up to register on the 29th. To register, we need

your name and grade just finished. Each child should read at least 10 books on your grade, reading level to attend the August 20 summer reading party.

We hope all of you will enjoy reading all summer even when you finish your 10 books you still have a great selection of books to read from. There will also be visiting here for the summer reading program, a Hanna Barbera character from Carowinds on August 10. We don't know which character will be coming. This will be a morning visit and we don't have all the information on it yet. More information will be published later.

through the summer at 40 hours a week.

Gray Retires After 25 Years

Raymond W. "Pop" Gray recently retired from the Dyeing Plant of Burlington Industries after over 25 years of continuous service.

He joined Burlington in December 1956 and held several manufacturing positions until assuming his last position as Supply Room Counter Attendant where he worked until his retirement.

In recognition of this event, "Pop" received a Retirement Plaque and Retirement Bible; he is pictured here receiving his plaque from (L-R) Fred Eanes -- Administrative Manager, Gib Bernhardt -- Plant Manager, and Billy Posey -- Supply Supervisor. Among his retirement plans, "Pop" hopes to do some fishing, work in his garden, and "relax."
