Ray Wins Drag Race

Larry Ray of Turnpike Road drove his 1968 Camaro to victory Sunday in the pro-bracket drag race at Sanford.

His time was 7.14 seconds for the one-eighth of a mile.

The victory gave him \$800, the first prize.

Forty-one drivers competed.

The car Ray won with is the same

which he drove to a new world's record of 10.54 seconds for a quarter of a mile April 30 at the International Hot Rod Association races at Rockingham. That speed is equal to 128.75 miles per hour.

Ray's next competition is due Saturday night, in the pro-bracket drag races on the Cumberland County Dragway at Fayetteville.

Service Personnel

Todd C. Gaines, son of Cecil A. Gaines of Rt. 1, Aberdeen, and Janet S. Gaines of Southern Pines, has completed training in fundamental military skills at the Army ROTC basic camp at Fort Knox, Ky.

The basic camp is designed to give junior college graduates and college sophomores who have not taken ROTC courses the chance to enter the program. The camp also qualifies high school graduates for the ROTC program at any of the nation's six military junior colleges.

During the encampment, cadets received training in basic rifle marksmanship, military drill and ceremonies, communications and individual and small unit tactics.

Gaines plans to enter the ROTC

program at North Carolina Agricultural and Technical State University, Greensboro.

He is a 1980 graduate of Pinecrest High School.
