

Mental Mistakes Make Buck Win Tougher

Mental discipline is the key to future victories for the Hoke High Bucks, Head Coach Tom Jones said Tuesday.

If the Bucks' offense had had better discipline and not made "mental mistakes," three touchdowns scored against South View last Friday night might not have been called back, Jones said.

As it was, the Bucks were still able to earn a victory over the Tigers, but it took a freak play and a closing minutes pressure field goal to garner the 9-6 win.

Although Jones feels the offense is progressing and played better Friday than they did a week ago against Cape Fear, the coach is hoping to eliminate the costly mistakes before the Bucks take the field against 71st here this Friday.

Seventy-First has two of the state's top offensive players, and Jones hopes to keep them off of the field by playing ball control football.

"Our best defense is going to be keep our offense on the field," Jones said.

Tailback Greg Williams and flanker Tim Medley are ranked as two of the top 50 players in the state, and the Bucks would just as soon keep their hands off of the ball.

The Bucks were able to capture their first victory in almost a year last Friday after a strange play.

Trailing 6-0, Buck quarterback John McDuffy tossed an interception to a South View player at midfield, who fumbled the ball.

Another Tiger player picked up the loose ball on the 48 yard line and raced for the end zone. The only problem was that he ran the wrong way, crossed the Buck goal line and placed the ball on the ground to a victory dance.

Alertly, Orlando McKinnon turned the miscue into a Hoke touchdown by falling on the loose ball.

"After having three touchdowns called back, I didn't care how we got the ball across the goal line," Jones said.

Although kicker Michael Bethea missed the point after, he came back and with 5:17 remaining in the contest, booted a 25 yard field goal to seal the game.

The Buck defense played well during the South View game, Jones said, noting that after the Tigers initial two possessions, the Hoke boys kept the opposing team to a total offense of about 50 yards.

South View rushed for only 54 yards during the game and passed for another 39 yards.

The Bucks rushed for 143 yards and picked up 40 yards in the air.

Twelve penalties for 99 yards didn't help the Buck cause either.

In the first two games of the season, the Bucks have had four touchdowns called back and if things had been different, would now be 2-0 on the season.

However, they face 71st with a 1-1 record and high hopes for the future.

Paul Hunt

Hunt Named

The coaching staff at Hoke High has begun a new program of honoring the young men and women in the area of athletics.

Each week a male and female Athlete of the Week can be named.

The honor will be awarded to the athlete whom the coaches feel brought honor to the school for the preceding week by his/her accomplishments.

The program will culminate at the end of the year with the naming of an Athlete of the Year.

Paul Hunt has been named as Hoke High's first Male Athlete of the Week for the week of August 30th-September 3rd.

Paul is a member of the school's Cross Country team. He was awarded this honor for his accomplishment in the cross country meet last Wednesday against Lumberton. Paul placed first in the meet completing the 3.1 mile course in a time of 17:19.

Paul is a senior and has competed in both cross country and track in his three previous years at Hoke High. He has been named Most Valuable in Cross Country for the last three years and was named to the All-Conference Cross Country team last year.

He also received the Coaches Award in track his sophomore year and the Most Valuable Award his Junior year.

Paul was also named All-Conference in the two-mile event in track last year as well as placing fifth (5th) in the state track meet.

Paul hopes to continue his education next year, tentatively planning to attend Appalachian State University to major in Physical Education and run cross country and track. Paul is the son of Mr. and Mrs. Governor Locklear of Route 4, Red Springs.

College News

Donna Jones of Raeford has been awarded a \$100 assistantship in the Pembroke State University Theatre Program.

She and Danny Wilson of Red Springs won the awards for their participation in the Pembroke "Living History" program the past school year. Theatre students were chosen to select and research a historical character, preparing a monologue of seven to 10 minutes and designing the costume. Then they took their characters into elementary schools in an effort to bring "Living History" to the students.

This is the second time Miss Jones has received the assistantship. Last fall she chose the character Miss Jane Pittman to take to the schools and was cast in the spring production of "Skin of Our Teeth". She is a senior majoring in theatre.
