LOOKING FOR SIX -- Buck right halfback Calvin Dixon heads for the goal line during the closing minutes of Friday night's loss to 71st. Dixon's efforts netted him 54 yards on 16 carries for the evening, but he was cut short of a score here by this on coming Falcon tackler. [Photo by Joe Gonzales].

Bucks Licking 71st Wounds, Getting Ready For Richmond

In addition to not playing well Friday night, the Hoke High Bucks played poorly against a superior team. All that added up to a long evening for the home team, and a 34-8 loss to the 71st Falcons.

"If we don't rise above what we did Friday night, it's going to be a long season," Buck Head Coach Tom Jones said.

The Bucks face Richmond County this Friday in Rockingham.

Richmond lost a squeaker to Scotland County last Friday 21-20. The Scots are expected to be one of the toughest teams the Hoke High Bucks will face this year.

"It's hard to say who's going to be the toughest," Jones said. "All I know is that the road is not going to get any smoother," he added.

The 71st Falcons may not be the best team the Bucks will face all

year, but Jones feels that they had superior players at 15 of the 22 positions on the field Friday night.

Two of the Falcons, tailback Gregg Williams and flanker Tim Medley, are ranked in the top 50 college prospects out of about 10,000 ball players in the state, and Jones said they lived up to their reputation Friday night.

Williams had no problems with the Buck defense, ripping off 214 yards and three touchdowns on 20 carries.

The Falcons gained 336 yards for the evening. All but 100 yards of the net yardage was on the ground.

The Falcons first score came on a pass to Medley that covered 31 yards.

The Bucks lone score came late in the fourth quarter on a short

pass from quarterback John McDuffie to Gary Stephens after a 59-yard scoring drive.

Solid performances were again turned by McDuffie, who was 4 for 10 in passing, for 54 yards and a touchdown, and by Calvin Dixon, who rushed for 54 yards on 16 attempts against a tough Falcon defense.

Buck coaches will be again working this week on fundamentals in preparation for Richmond, Jones said.

"We'll just keep working on what we know we can do best," the coach said.

"There is nothing else we can do. We don't have magic wands or anybody we can call up on options," he added.

"We've got good folks. We're going to keep trying," Jones said.

Flora Macdonald Games Get Underway October 2-3

The sixth annual Flora Macdonald Highland Games, scheduled for Saturday and Sunday, Oct. 2-3, will feature nearly 175 uniformed participants in the Revolutionary War battle reenactments each day.

Along with the recreated battles of McPhauls Mill and Raft Swamp, there will be handcraft demonstration and sales and original Highland athletic competition.

"The battle reenactments have long been our favorite crowd pleaser," said spokesman Tommy Ammons. "We anticipate our largest crowds around 5 p.m. on Saturday and 2:30 p.m. on Sunday...the times of the battle."

Using black powder weapons

and realistic uniforms and equipment, the participants will demonstrate their battle amidst the sounds of bagpipes and bugles along with muzzle-loaders and cannon.

Throughout the day on Saturday and from 1 p.m. to 5 p.m. on Sunday, there will be individual competition in highland dancing, bagpipes and drums.

Also, local craftsmen will show their wares all day.

The complete schedule is as follows:

Saturday

9 a.m. Individual competition and clan information

11 a.m. Opening ceremony

11:30 a.m. Highland Athletics

2:30 p.m. Children's games

4 p.m. Pipe Band competition

4:30 p.m. Awards ceremony

5 p.m. Battle reenactment

8 p.m. Ceilidh

8:30 p.m. Tartan Ball at Flora Macdonald Academy in Red Springs featuring music of "Mixed Generation" \$25 per couple

Sunday

1 p.m. Gates open - clan information, craftsmen

1:30 p.m. Highland athletics demonstration; Highland dance demonstration

2:30 p.m. Battle reenactment

3 p.m. Tug-of-war between local fire departments

Children's games

4 p.m. One mile fun run around games field -- children 12 and under

4:30 p.m. 10,000 meter run sanctioned by North Carolina Assoc. of the Athletic Congress of the United States

Tickets for this year's activities are \$4 for adults and \$2 for children and are good for both days. If purchased in advance, tickets are only \$3 for adults and \$1 for children.

Tickets can be ordered from the Flora Macdonald Highland Games, PO Box 547, Red Springs, N.C. 28377. More information can be obtained by calling (919) 843-4131.

"This year's festivities are planned to be enjoyable for all members of the family," said Ammons. "We encourage people to bring their picnic baskets and folding chairs for a great day's fun."

Tennis Outing

The Hoke County Tennis Association will hold a wiener roast and family outing Sunday at 5 p.m. at McLaughlin Park tennis courts.

Hunting/Fishing Passbook License Available Next July

Sportsmen will have the opportunity to purchase new "passbook" type hunting and fishing licenses in the future, reports the N.C. Wildlife Resources Commission.

The new passbook license will replace existing licenses on July 1, 1983 when the license years for hunting, fishing and trapping are consolidated to run from July 1 through June 30.

"Some confusion exists over the new passbook format for hunting and fishing licenses," said Richard B. Hamilton, assistant executive director of the N.C. Wildlife Resources Commission. "The new passbook license will be more convenient for the public. Sportsmen will be issued a single passbook when they buy their license each year, and pictorial or valida-

tion stamps will be affixed to the passbook to designate the various types of hunting and fishing privileges purchased. For example, an angler may buy a basic fishing license and trout license, and validation stamps for these two activities would be affixed to the passbook. Full-sized, limited-edition art prints of the annual sportsman license, which will be a pictorial stamp depicting an outdoor sporting scene, will also be sold to increase revenues."

In addition to the convenience of the new licenses, the passbook format will reduce printing and other administrative costs for licenses by about \$20,000 annually.

"This money can better be used for projects in the field which directly benefit fish and wildlife," concluded Hamilton.

The first radio broadcasts of the World Series were transmitted on Oct. 5, 1921.

Last Week For Charter Memberships

The last week of our Charter Membership Drive is here, and we only need a few more good people to make Deer Track a place for us to enjoy. Over thirty people have said sign me up; we need you.
