

**SHRINE FISH FRY** -- The Raeford Shrine Club held its annual Fish Fry to raise money for the Shriners' hospitals for crippled and burned children September 19 in Edenborough Shopping Center, and here is a scene showing patrons in the serving line.

### Jr. Woman's Club Holds Annual Meet

The first annual meeting of the Raeford Junior Woman's Club was held Sept. 10, 1982 at the Civic Center. President, Mrs. Robert Britt, called the meeting to order.

Final plans and directions for the spaghetti supper, to be held the next night, were made. Also, three ways and means projects were proposed to the club and accepted.

Plans were discussed concerning the membership drive scheduled for October and a salad supper was planned to honor prospective members on October 18th. After this short business meeting, the club adjourned to the kitchen where everyone helped prepare salad, plates, napkins, tables for the spaghetti supper!

The spaghetti supper was a successful event, thanks to our wonderful patrons. We would like to extend a public thank you to everyone who came out last Tuesday night. Special thanks go to those nice folks at the armory and Mr. Earl McDuffy who loaned us cooking utensils. Also, to Mrs. Lippard who helped direct our preparations and the nice people at WSHB who gave us plenty of good advertising. We hope everyone enjoyed their meal.

## Rockfish News

By Polly Barnard Tel. 875-2736

Am sure everyone enjoyed the news last week. I certainly did! Thank you so much Louise, for reporting for me while I was away. I especially enjoyed, as always, your poem.

I promised to report first handed about my trip. I really enjoyed the whole trip to the World's Fair. There were thirty three people counting the bus driver. We left Fayetteville at 8:00 a.m. Monday by Wilson Bus and arrived back in Fayetteville about 10:30 p.m. Wednesday night. The group was very congenial and the bus driver very thoughtful and helpful. We were fortunate in getting a real nice place to stay in Knoxville a very short distance from the Fair Ground, which made it much more convenient. Our original reservations were in Crossville, Tennessee but it being late in the season there were vacancies which were more convenient. I really enjoyed the fair very much and think it was well worth the time and expenses involved as well as having made many new friends in the tour group.

Correction please. Bible study at Pittman Grove Baptist Church is Sunday evenings at 7:30 p.m. They

will also have their "fifth Wednesday" covered dish supper September 29th. Everyone is invited to come and bring a covered dish and enjoy the food and fellowship.

The adults of Sandy Grove United Methodist Church enjoyed a cook-out at the home of Mrs. T.C. Jones Saturday evening. There were about twenty who attended and the men did the cooking. A good time was had by all.

Homecoming at Parkers United Methodist Church was a great success the past Sunday and attendance was good even if the weather was not perfect. Many from away attended. There was special music provided by the church choir that was especially good.

Red Apple Day was observed at Tabernacle Baptist Church Sunday honoring the workers who had served the past year and welcoming the workers that will serve through the coming year. They were recognized during Sunday school and morning worship service. There was a Red Apple Banquet for the in-coming and out-going workers at 5:30 p.m. in the Fellowship Hall, followed by a commissioning service for the 1982-83 workers. The day was concluded by showing a film, "More Than Champions".

Mrs. Grace English spent several days last week with her sister and brother-in-law Mr. and Mrs. Arthur Watson at White Lake.

There was a "baby shower" at the church Tuesday evening for Dr. and Mrs. David Sutton of Galatia Presbyterian Church. They received many beautiful and useful gifts. They were both "bubbling over" with joy and gratitude.

This is great weather! The nippy mornings make you want to stay in bed but when you finally get your eyes open you have more energy and accomplish much more!

Mrs. Lawrence Barnard had lunch with Mrs. Luther M. Huggins, Sr. of Red Springs Friday. She also visited Mrs. James "Buddy" Huggins.

Mrs. Gordon Barnard and Mrs. Jimmy Hill, Sr. of Cheraw visited Mr. and Mrs. Lawrence Barnard and Mrs. Jimmy Sakobie of Hope Mills the past Sunday.

Larry Chason returned to work this week after being out for several weeks due to illness.

Earl Chason and children spent the past weekend with his parents, Mr. and Mrs. Charles Chason.

Mack Wood, son of Mr. and Mrs. Don Wood of Dillon did not have surgery and was released from Cape Fear Valley Hospital the past Saturday. Certainly hope you are going to be alright Mack.
