'Spooktaculars' At Turlington

SAFETY ADVICE -- These Halloween cartoons made by Iris Barbour, a teacher of a Sixth Grade class at J.W. Turlington School, shown with the posters, give advice about safety while telling the Halloween story. The other photo shows a poster featuring the traditional Halloween "spook" bats, worried-looking skull, and owl.

Ghostly howls and shrieks and ghastly creatures are just a few weeks from descending upon us as October leads the way to Halloween night.

These and several other spooky "spooktaculars" are displayed on the walls and bulletin boards of J.W. Turlington Elementary School.

The attractive display is the creation by Sixth Grade Language Arts teacher Iris Barbour. Although the display trickles with eye appeal and beauty, there are several very helpful messages included as well.

The children are told by such lovable monsters as Frankenstein to "Check All Goodies Before Eating" and to "Wear Bright Colors" on Halloween night.

The creepy creatures may fly and the gruesome ghosts may ride the sky, but at J.W. Turlington they'll all meet their match when they see the "The Slithery Dee" on the door of Sixth Grade teacher Beverly Bowden.

This display was prepared to further enhance the spirit of Halloween for the boys and girls.

Randy Adams Excels In Boone

Randy Adams, formerly of Raeford and Pembroke, is a freshman representative of the student council at Watagua High School in Boone, and is on the football team.

While an eighth grader, he played trumpet and made a superior rating.

He is planning his college courses now for the business world.

Randy is the son of Candace Autry (Adams) Garner of Pembroke, and the grandson of Mrs. C.E. Autry and the late C.E. Autry.

Math And Science School Rep. At Hoke High Oct. 14

Ola Stringer, Head of Admissions of the North Carolina School of Science and Mathematics will conduct an information session on the school's educational program and admissions process at Hoke High School at 2 p.m. on October 14.

Local counseling offices will have information on the exact location.

All students, parents, and others who are interested in the School are invited to the meeting, particularly tenth-grade students who must apply before January 28, 1983 if

they wish to attend the high school. There will be a time for questions and answers.

NCSSM, located in Durham, is the nation's first public, residential statewide, co-educational, tuition-free school for 11th and 12th graders who have high interest and potential in science and mathematics.

NCSSM opened in 1980 with 150 students. The first commencement was held in June 1982.

This year nearly 400 students from 87 counties will be enrolled.

Hoke To Observe School Lunch Week

The Hoke County Schools will be joining schools across the nation in celebrating National School Lunch Week (NSLW) during October 10-16.

"School Lunch: America's No. 1 Energy Source" is the 1982-1986 program theme developed by the American School Food Service Association that will be observed.

Special emphasis for NSLW 1982 is "Eat Well, Your Body Can Tell!" Now more than ever, Americans are concerned about good nutrition and physical fitness. One way to be healthy is to develop healthy habits early in life since these habits will stay with children all of their lives. A school lunch is an excellent example of good nutrition.

The American School Food Service Association along with local school food service staffs are promoting proper nutrition since six out of ten leading causes of death are related to poor nutritional habits.

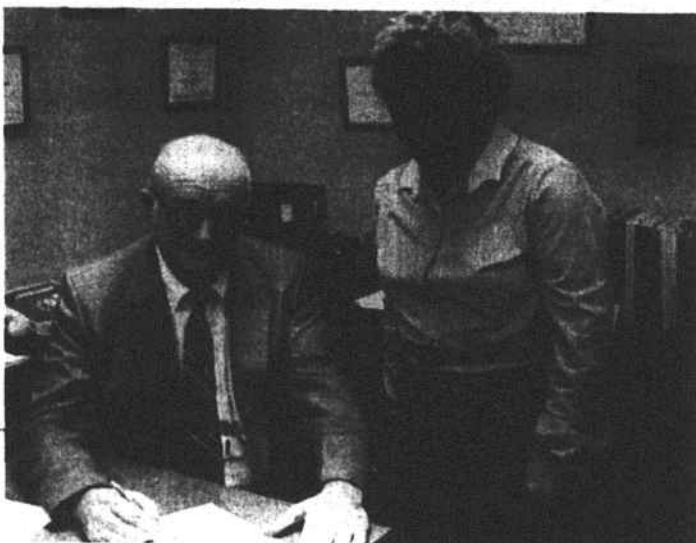

Highlighting the week's activities will be a school lunch that includes colorful and taste-tempting oriental delights: oriental chicken, stir-fried vegetables, steamed rice, fruit fantasy, Chinese almond cookie, and milk.

This special menu will be served Thursday, Oct. 14. The meal represents a basic school lunch that includes items from the four basic food groups: meat or meat alternative, fruit and/or vegetables, bread or bread alternative, and milk. A school lunch also provides one third of the recommended daily allowance for children.

Scurlock School Open House

Scurlock School will hold open house on Monday, October 11 at 7 p.m.

Open house will begin with an opening assembly in the cafeteria.

Raeford Mayor John K. McNeill, Jr., signs the statement proclaiming October 10-16 as National School Lunch Week in Raeford. Clara Pope, director of food services for the Hoke County school system, is with him.

Principal Gets Surprise Birthday Celebration

Thursday, September 30, was principal George Wood's 55 birthday.

A giant celebration was held for him at Scurlock school. All of the students, faculty and staff members met on the school courtyard for the surprise celebration. A birthday cake and giant birthday card, both decorated in a golfer's theme, were presented to him from the faculty and staff.

Many of the individual classrooms gave him gifts and cards made by students.

Since some of the students thought Mr. Wood might enjoy

"someone to keep him company," they presented him with a special friend, E.T. of the movie "E.T." Mr. Wood was told that E.T. would visit him for a little while - until he became homesick for his own home or another planet.

The birthday celebration was concluded with everyone singing "Happy Birthday" to Mr. Wood and several others including children and Mrs. Janet Plummer who were also having birthdays on the 30th.

Special guests for the occasion were Raz Autry and Marilyn Semones.

OCT. '82 LUNCH MENU
