Hoke Junior Netters Get Ranked

The North Carolina Tennis Association is the governing body for tennis in this state.

In order to be ranked by this state organization, junior players must compete in at least four tournaments which have been sanctioned by the U.S.T.A..

Each tournament score is compiled, and those who are ranked are

considered to be the top players in the state.

Throughout the state 33 ten-year old boys, 46 twelve-year old girls, and 46 twelve-year-old boys were ranked.

Raeford had five juniors who were ranked. Bill Upchurch ranked 9 in the 10-year-old boys, Wendy Simpson ranked 27 and Melynee Morgan was 31 in the 12-year-old

girls.

In the 12-year-old boys William Carter ranked 18 and Jeff Semones ranked 45.

Tai Adeleke has coached these young people and reports that he is pleased with the ranking these boys and girls have received.

He says it shows that their hard work has paid off.
