In the Cape Fear game, Tony scored 11 points and had 9 rebounds in a close 60-59 losing effort.

In the 65-57 defeat of South View on Friday night, Tony had 16 points and 14 rebounds.

Tony has played basketball during both his 8th and 9th grade years. He played on the varsity team during his freshmen year.

Tony plans to attend college upon graduation from high school and major in math.

Tony attends Rock Hill Baptist Church and is the son of Ms. Carolyn McRae of 1913 Tylertown Loop in Raeford.

Sabrina Barnes, a 5'11" 17-year-old senior, plays center on the Girl's Varsity Basketball Team. She was tapped as top Female Athlete of the Week because of her play in Hoke's two victories over Cape Fear and South View.

In the 53-48 victory over Cape Fear, Sabrina scored 20 points and in the 52-48 victory over South

View, Sabrina repeated her effort by scoring another 20 points. Sabrina is also averaging 7 rebounds per game.

Coach Audrey Long has high praise for her super charge. "Sabrina is a dynamite basketball player, she works hard knowing that most of the time she will be double teamed," said Coach Long. "This seems to help Sabrina play better since she knows the competition is coming after her and she will have to work even harder for everything she gets. We depend a lot on her and her board strength for rebounding."

Sabrina is very athletic and is a member of the Girl's Track Team in addition to being a member of the basketball squad. She received the MVP Award for track in her sophomore year. She also received the MVP Award for basketball last year as well as being named to the Southeastern 4A All Conference Team.

Sabrina is active in other aspects of campus life as well as athletics. She is a member of both the Spanish Club and the Monogram Club.

Next fall, Sabrina plans to enter UNC-Wilmington to work toward a degree in Communications as well as take part in athletics.
