have a better understanding of the basic causes of heart attack, stroke and hypertension," he added.

"Whereas, more than 200,000 of these victims die before retirement age, and 'Whereas, the American Heart Association is the only voluntary

health agency whose sole mission is to reduce early death and disability from heart disease and stroke, and

"Whereas, the Heart Association's relentless battle against this American epidemic combined a nationwide research program, as well as improving health care in the community through professional and public education, and community service programs.

"Whereas, heart disease and stroke this year will kill nearly one million Americans, a total which exceeds all other causes combined, and

"Whereas, the American Heart Association is the only voluntary health agency whose sole mission is to reduce early death and disability from heart disease and stroke, and

In the proclamation, McNeill asked for support from the residents of Raeford in the campaign against the nation's Number One Killer, heart disease and stroke.

"These diseases accounted for more than 24,000 of deaths in North Carolina last year," McNeill said, "or 49% of deaths from all other causes."

"The American Heart Association urgently needs money to support research so that medicine can

"Now, therefore, I Mayor John K. McNeill Jr., proclaim the month of February as American Heart Month and urge all citizens to support the educational and fund raising campaign of the Hoke County Heart Association. Contributions of time and money will help in the fight against heart disease and stroke."
