Brotherhood Celebrated At Turlington School

Brotherhood week recently came to J.W. Turlington School as the faculty, staff, and students geared up for a week of activities planned by the Black History Committee.

The week's activities included a Black History Facts contest, a movie on Dr. Martin Luther King Jr., and a Black Heritage Day assembly.

To enhance the students' participation in the history contest, the language arts teachers presented lessons on famous Black Americans.

Each teacher selected a winner from their classes.

The classroom winner will compete with other winners in the school wide contest. The winner of the contest will receive a prize and a certificate.

The language arts teachers also showed their classes a movie entitled "Dr. Martin Luther King. An Amazing Grace".

The movie was a narrative view of Dr. King's life.

The assembly for the entire stu-

dent body was held Wednesday Morning, February 9.

The guest speakers for the assembly was Rev. John D. Fuller, pastor of Lewis Chapel Baptist Church in Fayetteville.

The assembly was called to order by Ms. R. Goodman. Briston Kelton gave the welcome address.

Mrs. B. Bowden read an inspiring poem and introduced the speaker. Rev. Fuller. Stephen Baker read Dr. King's renowned speech "I Have a Dream".

Music for the assembly was provided by Mrs. D. Farrow, Mrs. Lucille McGregor, Mrs. H. McNeill, Mrs. J. McPhatter, and Ms. A. Rogers. They were accompanied by Mrs. B. Upchurch.

The group sang "Swing Low" and "Lift Every Voice".

The committee will conclude their planned activities with the announcement of the winner of the History contest.

Members of the committee are: Ms. R. Goodman chairman, Ms. D. Page, Mrs. D. Farrow, Mrs. B. Smith, and Mr. W. Rice.

Book Fair -- Students at Scurlock School are being given an opportunity to purchase books on their reading level at the Moley Book Fair this week. The fairs, also held this week at South Hoke, West Hoke and McLaughlin schools, is sponsored by the Hoke County Reading Association. Proceeds go to the RIF Program.
