CARD OF THANKS
I want to take this means of thanking relatives, good neighbors and friends again for the many acts of kindness shown to me during my two recent stays at Highsmith Hospital and since getting home. The many flowers, cards and visits kept my spirits high and the prayers at my bed side by Drs. Sutton and Mark were most up-lifting and appreciated. Money is essential but good neighbors will be with you when money is gone and I have the best, the food they bought and sent so often, was delicious. May each of you be blessed as you reach my station in life as I have been. Thanks again for everything. Ethel L. Monroe. 49P

CARD OF THANKS
The world we live in is a very large place. Raeford is small, also the surrounding communities, but it stands as a giant heartbeat because it is full of beautiful people full of kind thoughtful words and deeds. My husband, my family and myself would like to thank you once again for the cards, visits, fruit, flowers and acts of kindness that helped so much during my knee surgery, but above all your heartfelt prayers and the visits from your ministers. Yes, there is something beautiful about everyone. You have proved this in the way you treated the sick, not only me, but others too. May God keep you in the hollow of his hand and minister to each of his or her needs.
Sincerely,
Mrs. Charline H. (Helen) Smith
