

# School News

**Fun Festival**  
Colorful balloons, popcorn, cupcakes, continuous entertainment and performances by the Upchurch choir, all were part of Thursday's arts festival which was put on by the students at Upchurch. Paintings, collages, and paper flowers were just some of the arts shown off at the all day festival.

## S.A.D.D. Group Has Busy Week

S.A.D.D. is a name which now has a meaning to our 150,000 high school students. It stands for Students Against Driving Drunk. The group's objectives are:  
-To save our lives and the lives of others.  
-Educate students concerning the problem of drinking and driving.  
-To develop peer counseling among students about alcohol use.  
-To increase public awareness and prevention of this problem everywhere.  
S.A.D.D. is now in over 100 schools. It began in September, 1981. The program was developed and conducted by Robert Anastas, in Boston, Mass. The local Hoke County Youth Council sponsored S.A.D.D. week March 28 through April, in hopes

of starting a permanent chapter in Raeford. Contracts were given to students and parents in an effort to lessen the incident of youth involvement in alcohol related accidents. Questionnaires were also circulated, asking local residents their opinions about alcohol and driving, and civic, church and school programs were held during the week. Here are some of the points made by the youth group during the week:  
•One American life is lost every 21 minutes in alcohol related auto crashes.  
•The drinking driver problem creates an estimated cost of over \$5 billion annually.  
•For Americans up to age 35, the number one cause of death is

motor vehicle incidents, and more than half of highway deaths are caused by drunken drivers.  
•On an average week-end night, one out of every 10 drivers on the road is drunk.  
•165% of drivers who kill themselves in single-car wrecks are drunk.  
•Of every 2,000 drunken drivers, only one is arrested. The chance of receiving a serious penalty is mathematically insignificant.  
•Drunken driving is the nation's number one highway safety problem.  
•Drunken driving is responsible for the most common form of violent death in the nation. These statistics were provided by the National Highway Traffic Safety Administration and the National Safety Council.

## Ketner To Speak To Hoke High DECA

Plans are well underway for the annual Employer-Employee Banquet which is hosted by the Hoke High DECA organization each year to show appreciation for the employers and community members who have supported the cooperative education program during the current school year. This year's banquet, to be held April 13, will feature Mr. Ralph W. Ketner, Chairman of the Board and Chief Executive Officer of Food Lion Stores, as guest speaker.

As a member of the North Carolina Marketing and Distributive Education Advisory Committee, Ketner has shown sup

port for MDE across the State and has given much of his own time to support the educational program and club organization. As an outstanding businessman, he has much to offer to the youth who plan careers in marketing. Ketner is a Director of the North Carolina Merchants Association, listed in Who's Who in America and Who's Who in Supermarketing, and has been honored as the North Carolina Grocer of the Year (1972-73) and the North Carolina Retailer of the Year (1977). He holds honorary Doctorates in Business Administration from Catawba College and Tri-State University (Indiana).

## Exceptional Children's Services Deadline Set For April 22

Forms referring exceptional children for needed services should be completed and returned to the student's school principal by Friday April 22. Special Children's Coordinator Rhenda Cameron said. The services are for mentally handicapped learning - disabled, academically gifted, hearing - impaired, speech - and language - impaired, and emotionally handicapped. Mrs. Cameron said, "Each spring, the exceptional - children's programs within the Hoke County schools makes an assertive effort to identify children in need of special services. "An initial referral for these services is necessary prior to beginning an appropriate evaluation. "Parents, teachers, other professional, education people, and support people from various community agencies may refer children for any of the special services."

Mrs. Cameron said the appropriate referral form may be obtained from the principal of the school in which the child is enrolled.

The April 22 deadline for returning referrals to the principals was set because extensive testing must be done prior to closing of school. More information may be obtained from the principal of the child's school or from Mrs. Cameron at the County Board of Education office, telephone 875-4106.

**MYSTERY OF MICHAEL ROCKEFELLER.** On November 16, 1961, Michael Rockefeller, son of multi-millionaire Nelson Rockefeller, disappeared as he swam from a drifting boat with a dead motor toward shore just off the coast of New Guinea. The riddle of his fate has never been solved.

# Forget About Spring Cleaning And Yard Work!

## At H&R Block we guarantee our work.

This year with over 100 changes in the tax laws and forms, you have more chances of making a mistake. And that could mean an IRS audit. If H&R Block prepares your taxes and you're audited, we go with you at no added cost. Not as your legal representative, but to explain how your taxes were prepared. If we make a mistake and you owe additional tax, you pay only the tax. We pay the penalty and interest.

**H&R BLOCK**  
THE INCOME TAX PEOPLE  
Central Avenue  
Open 9 AM - 6 PM Weekdays, 9-5 Sat. Phone 875-5330  
APPOINTMENTS AVAILABLE

The new tax laws. This year's number one reason to go to H&R Block.
