### Poster Contest awards presented

Casey Williams (right) receives a "Certificate of Merit" for her award-winning entry in the North Carolina Bicycle Committee's annual poster contest. The certificate was presented during the Committee's May 6 meeting in Raleigh. Williams, who is a fifth-grader at Turlington School, was sponsored by the Hoke County Parks and Recreation Department. Her poster won "Most Original" from the fifth-grade. A total of 234 posters were entered in this year's contest. Each poster had to incorporate some combination of bicycling and a North Carolina feature or landmark. It also had to promote this year's North Carolina Bicycle Week Theme of "North Carolina is for Bicycling." Certificates were awarded for the "Best Theme Interpretation," "Best Drawing," and "Most Original Poster" in grades four, five and six. A total of nine students received certificates. In addition to her certificate, Williams also received over \$100 in prizes from national bicycling manufacturers. Presenting the certificate to Williams is Wesley Webster (left), Deputy Secretary of the North Carolina Department of Transportation. Observing is Jeanette Carl of Raleigh, who is a member of the state Board of Transportation.
