

Faberge To Host Annual Camp Easter Golf Classic

Faberge, Raeford has been known for many years as a major manufacturer of toiletries and hair care products. Yet for years Faberge has been very actively engaged, through the efforts of corporate Vice President August Zitzmann, in sponsoring a worthwhile cause. One outstanding achievement which Faberge is very proud of is the Annual Faberge Ladies Golf Classic.

This tournament, which is open to all amateur lady golfers, is held annually at the Mid-Pines Resort in Southern Pines. All proceeds go to the benefit of Camp Easter-in-the-Pines. Camp Easter, a residential camping facility for the physically handicapped, is located just north of Southern Pines on a 70-acre site. The camp is owned and operated by the Easter Seal Society of North

Carolina and provides camping experiences to hundreds of physically handicapped children and adults each year. No camper is denied camping experience for lack of ability to pay. Eighty per cent who attend camp need financial assistance. According to Zitzmann, this year's tournament promises to be a huge success in raising funds for the camp. He also said it is most gratifying to see so many dedicated

volunteers devote their knowledge, skill, and love for these children to have a pleasurable period of time at this camp. The facilities at Camp Easter are second to none and Bill Russell, Camp Director, and his staff are to be congratulated for the excellent job they are doing at the camp. As a prelude to the Faberge Ladies Golf Classic, Mr. and Mrs. Zitzmann, in conjunction with the National Easter Seal Society were

able to arrange a celebrity tournament which will be attended by nationally known names of the entertainment and sports world. Mr. and Mrs. Zitzmann have been active in volunteer work for many years; Mrs. Zitzmann having been chairperson of the Traffic and Safety Council at their former residence and president of various organizations which worked for charitable causes.

Faberge takes pride in sponsoring the Annual Faberge Ladies Golf Classic and Zitzmann said it is the philosophy of Faberge, Raeford, that involvement in community affairs is an integral part of the plant's function. Of the over 100 species of snakes in the United States, only four are poisonous.
