## Bucks Start Practice For Football Season

Riding on the heels of the final days of July is the feeling that football will soon be filling the air again with grunts, groans and victory.

Hoke High's head football coach Tom Jones announced last week that football practice for varsity and junior varsity candidates will begin Monday, August 1, at 5:30 p.m. in the McDonald gym on the high school campus.

According to Jones, all candidates should report to the gym at 5 p.m. for an "important" meeting before practice begins.

Candidates should be sure to bring football shoes, shorts, t-shirts, practice socks, towels and a \$5 athletic fee on August 1, Jones said.

Athletes interested in participating in the 1983 football season should have a physical before practice begins, Jones said.

According to Jones, those students who failed to get physicals

in June will have a second chance on July 30.

Physicals will be given from 9 a.m. until 12 p.m. on July 30. A \$3 fee will be charged for the examination.

The 1983 Varsity Bucks will host a scrimmage game August 23 against Pine Forest and will open regular season play September 2 with a home game against South View.

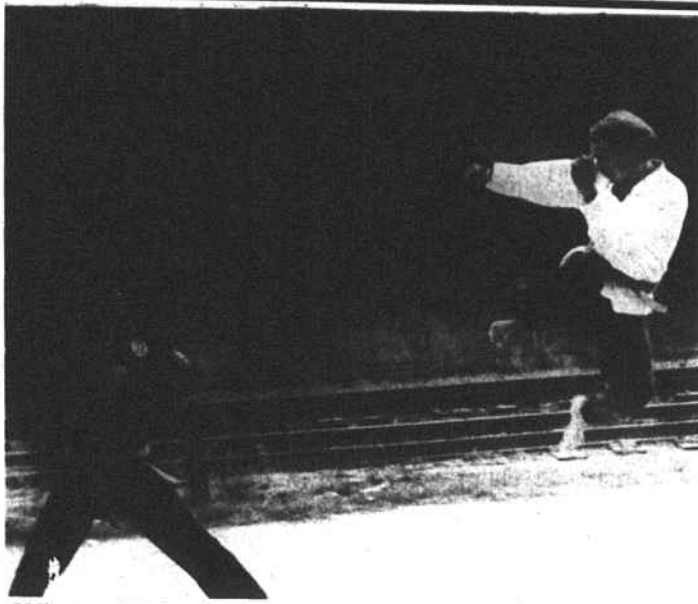

The Junior Varsity team will also begin play on September 2 in an away game against South View.

Jones is also expecting some 55-60 candidates to join practice in August.

Last year the Bucks bowed to a losing season with a 3-7 varsity record, but rallied in the final weeks of play showing strong team abilities by defeating Pinecrest and Lumberton.

1983 Football schedule is as follows:

### What a kick

These young men, involved with the Tae Kwon Do, a martial art developed over 20 centuries Korea, are practicing their kicks and stances during a work out at the Hoke Recreation Department. The Tae Kwon Do's main feature is that it is a self defense art using bare hands to repel the body. Blocking, punching, striking, thrusting and kicking are among the Tae Kwon Do forms that are practiced. The Hoke Recreation Department sponsors Tae Kwon Do classes all year and are for the young children and adults. For more information contact the Recreation Department.
