### Ping Pong Tournament

The Parks and Recreation Commission will sponsor a Ping Pong Tournament Wednesday, August 24, in the J.W. Turlington School gym. Competition will begin at 6:30 p.m. and will conclude at 8:00 p.m.

Three tables will be set up. Each game will be played to 15 points. The winner at each table will continue to play until he/she is defeated. Once you have been defeated you may again enter yourself in the next available space.

The tournament winner will be determined by a playoff among the top six participants. The top six chosen will be those who accumulate the most wins between 6:30 and 7:30. A trophy will be awarded to the winner.

### Horse Shoe Tournament

The Parks and Recreation Commission is sponsoring a Horseshoe Tournament on Wednesday, August 31. Competition will begin at 5:30 p.m. on the big field adjacent to the old National Guard Armory. The top four contestants, or those who've accumulated the most wins by 6:30 p.m. will be paired for a championship match. Winners will continue to play until beaten.

Scoring will be as follows: games will be 11 points, only one player scores by any inning; a shoe must be within six inches of the stake to score; a "ringer" is a shoe that encircles the stake far enough to allow the touching of both heel calks simultaneously with a straight edge, and permit a clearance of the stake. Closest shoe to stake scores 1 point; two shoes closer than the opponent's counts 2 points; two ringers against one for opponent counts 3 points; one ringer and closest shoe of same player counts 4 points. If each player has a ringer, the next closest shoe, if within six inches of the stake, scores 1 point; a leaning shoe has no value over one touching the stake; all equals count as ties and no points are scored.

Practice up and come on out for some fun on August 31 at 5:30 p.m. For more information contact the recreation office at 875-5603.

Getting ready for a "competitive season"

Practice has begun in full force for the Junior Varsity and Varsity Hoke High Bucks football team. Head Coach Tom Jones said the turnout for this year's try-outs has been "the best since I have been coaching here". Jones said he had expected around 90 young men to come out and 88 actually showed. "You can't do much better than that," Jones said. "I don't anticipate cutting anyone from those boys we already have," Jones said, adding that he was pleased with the quality and experience he felt his

team would have. "I think we will have a real competitive team this year. We have 17 returning players who started for us last year," the coach added. With a "good nucleus" of senior leadership and some fresh, young faces among the team, Jones is optimistic about the coming season. "I feel like we will have the players this year that will keep us from being out-manned. I think we have the talent this year to let the breaks decide the game. I'm optimistic that we will have a competitive season," Jones said.
