

National 4-H Week...Oct. 7-13

GREAT BEGINNINGS

4-H: Building on Experience

Great beginnings, great experiences are offered to our young people, through 4-H. They are given opportunities to learn and grow, to make friends and become friends and to have a hand in community development.

During 4-H Week, we want to send our thanks to our local 4-H'ers and to the many adult members of this fine outstanding organization. Congratulations for a job well done.

Congratulations
4-H

4-H is open to all youth 9-19 years old
4-H is not just for farm youth, but for everyone
