DEADLINE: 10:00 a.m., Monday

**CORRECTIONS**

Persons should check their advertisement for accuracy the first time it appears in the newspaper so that necessary changes can be made. The newspaper will not be liable for mistakes in an advertisement beyond the first week of publication. If a mistake is found, call 910/875-2121.

**PAYMENT**

Advertisements mailed or brought to the newspaper office should be paid upon placement. Persons who are unsure how many times the advertisement will run should pay for four insertions; if the advertisement is stopped earlier, the unused balance will be refunded. The newspaper will bill customers who place ads by telephone or fax except ads in the personals category. For advertisements placed by telephone or fax the newspaper will add a \$1.00 service charge for each past due billing.

**EDITOR'S NOTE**

The News-Journal reserves the right not to publish classified advertisements it considers to be of questionable taste. Persons who have placed a classified ad which does not appear should call 910/875-2121. The publication of an advertisement is not an endorsement of the worthiness of the product or service being offered.

**How to write a good classified ad . . .**

1. Start your ad with the merchandise you are selling - starting with the merchandise makes it easier for the reader to locate your item for sale.
2. Always include the price of the item you are selling - 52% of classified readers do not respond to ads that do not include a price.
3. Keep abbreviations to a minimum - make it easy for readers to understand.
4. Place yourself in the reader's position - ask what you would like to know about the merchandise for sale - include information such as brand names, colors and other specific descriptions.

**ADVERTISING COSTS**

Minimum charge - 3 lines, \$5.25 first week, \$1.50 each additional week. There is no charge for ads that an item has been "found".
