Parent University held at McLauchlin School

J. W. McLauchlin Elementary School faculty and staff held their annual Parent University on Thursday at 6:30 p.m. This event is one of the opportunities for parent involvement and is a vital part of the Title I Parent Involvement Program. Parents were able to select from a smorgasbord of sessions to increase aware-

ness of opportunities and services available at the school.

Workshop titles included: How Title I is Helping Your Child, Focusing in on End-of-Grade Testing, K-2 Assessments, Technology Initiatives, Meet our Visiting International Faculty, Making the Move from Elementary to Middle Grades, Developing

Healthy Lifestyles, and 4-H Community Opportunities for Youth.

A spaghetti dinner was served at the conclusion of the sessions. Door prizes were awarded, and selected students entertained during the dinner.

Parents at McLauchlin School have many opportunities for regular meetings throughout the school year.
