## Roll call for prayer

In light of the terrorist attacks of September 11 and responding military action, The News-Journal is compiling a prayer list for those service men and women who may be in harm's way or are just in need of our prayers at this critical time. We also think their families should be included in our special prayers.

Call in, e-mail, or fax the names of those you want to be included on the list so that their names may be published and the entire community can add their prayers to yours.

Include names, branch of service and the service person or person's connection to Raeferd Hoke County or their close family members. For security reasons, we are not including the rank and unit.

Our list so far includes:

A special request from a U.S. Air Force commander in Afghanistan — "We need Christians to pray, pray, pray. We're in a blood bath here! Please pray for God's protection of our troops and His wisdom for their commanders. Pass this on to as many as you think will respond."

Another special request is for the chaplains who "have been running ragged" in many capacities including officiating at the funerals of those killed in action.
