Hoke County beats Cape Fear 26 - 7

Bucks start to make a statement in Mid-Southeastern Conference

By Hal Nunn
Sports writer

The Hoke County High varsity Bucks football team had their first away game of the regular season last Friday night at 2-1 Cape Fear High School. Upon arriving for the game the Bucks seemed very focused in what needed to be done on the field. With the Cape Fear fans and players saying everything they could to try and intimidate the Bucks before action began, it was how Hoke County played on the field that kept the Colts and their fans quiet most of the game.

Hoke received the kickoff and after only one play called time out. Senior quarterback Ariel Aponte and Coach Greg Bryant wanted to make sure they were on the same page. What happened from that point on proved they were in focus. Aponte threw a 24-yard pass to Darryl Barnett who caught the ball and scored one of his two touchdown receptions.

After Hoke kicked to Cape Fear and stopped them before they could get to the 20-yard line, the defense took over and held the Colts to four downs and out. With a short punt only getting to the Hoke 40-yard line, the next play from scrimmage was a half-back pass from the Cape Fear 46-yard line that Jaquan Green threw to who else but Darryl Barnett. Hoke converted the 2-point conversion and the score was 14-0.

The Bucks held the Colts offense to only 7 plays in the first quarter. On kickoff following the last touchdown, Hokes Derek Harvey came up with a Cape Fear fumble and the Bucks drove down to the Colts 22-yard line. On the fourth down the Bucks decided to go for the end zone and Ariel Aponte took the ball, rolled out to the right and threw back across the field into the left corner of the end zone to Darryl Barnett again. That play was one of the prettiest plays this year. Aponte was rolling right and threw left across the field and Barnett caught the ball over his left shoulder. The only problem with that play was that the black and white striped guys on the field threw one of those little yellow hankies and called Darryl for offensive pass interference.

Cape Fear took the ball on downs and went 3 and out then botched a punt. On the first play following the punt, Jaquan Green took the hand-off and scampered 16 yards for the touchdown, making the score Hoke 20, Cape Fear 0. The Colts got the ball on the kickoff and looked as though they were going to score. While they were driving down the field Marcus Purcell came up with a huge sack and slowed the Colts to a trot. They proceeded to move the ball down to the Bucks 4-

Clockwise, Offensive coordinator Bill Little talks with the offensive line in between series of last week's game. Hoke running back Jaquan Green had 20 rushes for 104 yards and one touchdown. Hoke quarterback #6 Ariel Aponte pitches to #14 Kurtis Campbell early in the game against Cape Fear last week. Aponte had 80 yards passing for this game. Campbell had 1 catch for 59 yards and 1 touchdown

yard line, and fumbled the ball. Hoke ran the clock out and the score was still 20-0.

In the third quarter Cape Fear got the kickoff and ran 20 plays eating up most of the quarter. They ran 18 running plays and 2 pass plays. The Colts scored their first and only touchdown of the game.

The extra point was good and now they had a little momentum. Jaquan Green received the kickoff and ran it back 13 yards.

Hoke got to a fourth down situation and a low snap forced then kicker Darryl Barnett to run to the left and it appeared he had the first down. The officials on the field made a questionable call on fourth down that gave the Colts the ball back on downs. The

play ended on the opposite side of the field where the down marker was and it appeared to be close enough to measure. Pleas from the Hoke sideline and stands were ignored, and the ball was given to the Colts with momentum still on their side. When the Colts got to fourth down they had no other choice but to go being 13 points down in the fourth. Senior defensive lineman Roderick Ross stuffed the run play by the Colts on fourth and two.

On the next series Aponte threw over the middle to sophomore Kurtis Campbell who "juke'd" three players and outran another to score a 59-yard touchdown completion. The extra point was no good and the score ended 26-7 Hoke.

The Bucks play home this Friday against Lumberton and the school would like to pack the stands for this exciting game.

Game time will be at 7:30 p.m. and "The Battlefield," commonly known as Raz Autry Stadium, will be the place.

Hoke County stats for the game are:

Hoke County	6	14	0	6-26
Cape Fear	0	0	7	0-7

Aponte, 4 of 9 passing for 80 yards Green, 1 of 1 passing for 46 yards Green, 20 carries for 104 yards, 1-TD Campbell, 1 catches for 59 yards, 1-TD Barnett, 2 catches for 70 yards, 2-TD Purcell, 1 sack
