The Hoke County Fighting Bucks continued to climb out of the middle of the pack in the Mid-Southeastern Conference last Friday night with a win over Pinecrest. That win increases their record to 4-3 overall and 2-1 in the conference.

Kurtis Campbell was the big gainer on the night running for 94 yards on the ground. Scorers for the Bucks were Josh Wright on a 15-yard touchdown run and Kyle Goodman with the extra point. Goodman later added a 30-yard field goal. Shawn Patterson scored on a 20-yard run with Goodman hitting another extra point. Jamell Hurst took a Pinecrest punt back 61 yards for the Bucks' final touchdown and Goodman added the extra point. The Bucks did a whole bunch of substit-

ing in the second half and did not score again. Pinecrest did make it to the end zone on a 10-yard run from Tyrone Daniel but the extra point failed.

The Bucks are headed to Douglas Byrd this Friday night and need at least one more win to secure a state playoff spot. After the Douglas Byrd game the bucks must play Scotland at home on the 21st, Richmond at Richmond on October 28th and come back home on November 4th to play Highway 401 rivals Seventy-First with newly installed legendary coach Bob Paroli.

## Pigskin Pick'em comes down to three-way tie

This week everyone seemed to be on a roll with the college picks. I guess those were a little too easy. This week you have your work cut out for you with some tough ones in

the NFL and some really tough ones in college. Last week's games came down to a three-way tie with Mack-L, Edward-P and Larry-L. All three gentlemen had 11-2 records so we had to go to the tiebreaker. Edward-P forgot to mark which team he thought would win the game while the other two both picked the Chargers to beat

the Steelers. That's why we have the total points for moments like these. Two guys chose 47 points and one hit it on the head with 46. Pittsburgh defeated San-Diego 24-22. Mack-L,

come on down you are the winner of a free gift bag from Family Chiropractic of Raeford.

Don't forget next week to mark all of your blocks!
