Bread, Bread, Bread

Give me your orders for bread. Always fresh and carefully baked. Remember I sell full weight loaves, 14 ounces for 5 cents. Cakes are a speciality. Ned Jones, the Baker, corner S. McDowell and W. Lenoir sts. je29-1w.

The generous people of Raleigh appreciate a good thing when it comes in their way, and have taken hold in earnest of the great mid-summer clearance sale now going on at Swindell's Department Store.

We add today to this great sale a line of French gingham, nice, neat styles, at 15c; they are cheap at 35c.

A beautiful assortment of figured dotted Swiss muslin at 12 1/2c.

We are showing full and desirable lines of table linens, napkins and doilies, at Swindell's.

In our table linen department we have put on the counter a "job" in colored cloths which is worthy of your attention. Nice for fruit or tea cloths. Ask to see them. D. T. Swindell.

Ladies and men's linen ulsters, 25c and 50c, at Swindell's.

Successful storekeeping does not mean gigantic profits - it means doing business, continually, constantly selling seasonable goods and even at a loss, before holding them over for many months. We are successful store keepers and will sell thousands of dollars worth of seasonable stuffs at even less than cost while you most want them. This is the argument for the great July clearing sale at D. T. SWINDELL'S.

Raleigh People Testify

As to the merits and medicinal virtues of the Otterburn Lithia water: Mr. A. L. Smith, Oak City laundry, says: "It is the best all round mineral water I ever drank."

Mr. Garland Jones says: "It has almost entirely relieved him of indigestion, and that he has been troubled very little since he commenced to use it."

Mr. Nat L. Brown says: "That he can highly recommend it; that it has done him a great deal of good, both last summer and this summer."

Mr. L. J. Ramsey says: "That the use of this water has been very beneficial to him."

Mr. T. P. Sale, sanitary inspector, says: "It affords me pleasure to recommend the Otterburn Lithia water to any one suffering with kidney trouble. Since I commenced its use I have found great relief."

A great many others of our leading citizens, including physicians and druggists, speak favorably of this water and take it regularly. Received fresh from the springs and delivered daily to any part of the city at 30 cents per one half gallon.

To Throw Thousands Out

Chicago, July 7.—The Herald of this morning says: "After today smokeless chimneys will give Chicago's smoke inspectors nothing to look for. An exhaustive canvass of the industrial concerns of this city reveals an appalling state of affairs, and warrants the statement that tomorrow 75 per cent of them will stop their machinery and keep so until the present embargo of the traffic is raised. The effect will be to throw into idleness upward of 500,000 workers. The Deering harvest company's works will stop, throwing out 3,000 people.

The 19 furnaces of the Illinois steel company's plant are banked for need of coke, and all the companies of Joliet, South Chicago and Milwaukee are closed.

Fighting Fire With Fire.

TOLEDO, Ohio, July 6.—Receiver S. R. Callahay, of the Toledo, St. Louis & Kansas City railway, surprised the strikers on that system this morning by fighting fire with fire. The men sent him a telegram last night to the effect that they would strike this morning at 6 o'clock by order of the American railway union.

Receiver Callaway, upon receipt of the notice, immediately gave orders to shut down all the shops on the road, stop all freight trains and discharge all the men on the road in every capacity except a few to run a limited number of passenger trains. "This will shut up the 'Clover Leaf' system without violence or unnecessary expense. The men seem to want to tie us up," said Mr. Callaway, "and we will give them all the help necessary."

A Sunday Meeting in Favor of Arbitration.

CHICAGO, July 6.—The ministers of the city have called a meeting of citizens in favor of peaceful arbitration as a settlement of the great strike. It will be held Sunday afternoon. Bishop Fallows and Dr. P. S. Henson have the matter in charge and have invited mayor Hopkins and other city officials to be present. They invite every one in favor of arbitration to attend the meeting.

Senator Gen. John B. Gordon lectured at Burlington last evening.

THE AGREEMENT.

Stores to Close at 10:30 O'clock Each Saturday Evening.

The movement for closing the stores at 10:30 o'clock each Saturday evening has met a most hearty response from merchants. Every business house in the city, except the two fruit stores and the liquor dealers has signed the agreement. The liquor dealers are to have a meeting Monday evening to consider the matter. Some of them are ready for it now, others preferred to await the action of the meeting. One hundred and five firms have signed the agreement.

The Weather Report.

For North Carolina: Fair, cooler in northern portion Sunday morning. Local forecast: Sunday and probably Monday fair weather, slightly cooler. Local data for 24 hours ending 8 a. m. today: Maximum temperature 85; minimum temperature 71; rainfall 0.26.

The storm yesterday central over the east lake region has moved to the New England coast. Rains have occurred at many widely scattered stations in the Atlantic and gulf states. The heaviest amounts reported during the past 24 hours were 1.68 at New York, 1.58 at Meridian, and 1.32 at Vicksburg. A high area, with clear, cooler weather, is central over Nebraska and Iowa. The isotherm of 60 extends south over the lake region to Cincinnati. The weather is clear in the Ohio valley lake region and westward.

The Street Car Schedule.

There are now four cars running, the line being from Brookside to Pullen park. The cars will meet at the west gate of the capitol at the hours and at 12, 24, 36 and 48 minutes past; in other words will run on a twelve minute schedule.
