### NORTH CAROLINA STATIS- TICS.

A special census bulletin has been  
 issued giving statistics of farms,  
 houses, and mortgages in North Caro-  
 lina, and the following is a synopsis  
 of the result, as reported to the secre-  
 tary of the interior:

The leading results of the investi-  
 gation of farm and home proprietor-  
 ship in North Carolina for 1890, con-  
 ducted by special agents George K.  
 Holmes and John S. Lord, are con-  
 tained in this bulletin. In regard to  
 farms the conclusion is that 41.72

per cent. of the farm families hire  
 and 52.28 per cent. own the farms cul-  
 tivated by them; that 4.88 per cent. of  
 the farm-owning families own subject  
 to incumbrance, and 95.12 per cent.  
 own free of incumbrance. Among 100  
 farm families 42 hire their farms, 3

own with incumbrance, and 55 with-  
 out incumbrance. On the owned  
 farms there are liens amounting to  
 \$3,757,577, which is 45.59 per cent. of  
 their value, and this debt bears inter-  
 est at the average rate of 9.65 per

cent., making the average annual inter-  
 est-charge \$57 to each family. Each  
 owned and incumbered farm, on  
 the average, is worth \$1,584, and is  
 subject to a debt of \$752.

The corresponding facts for homes  
 are that 74.23 per cent. of the home  
 families hire, and 25.77 per cent. own  
 their homes; that of the home-owning  
 families 65.10 per cent. own free of  
 incumbrance and 4.90 per cent. with  
 incumbrance. In 100 home families,  
 on the average, 74 hire their homes, 1

owns with incumbrance, and 25 with-  
 out incumbrance. The debt on owned  
 homes aggregates \$1,354,530, or 48.15

per cent. of their value, and bears inter-  
 est at the average rate of 9.80 per  
 cent., so that the annual amount of  
 interest to each home averages \$67.  
 An average debt of \$864 incumbers  
 each home, which has the average  
 value of \$1,705.

There are five cities in the state in  
 the class of those having a population  
 of 8,000 to 126,000, and in these cities

73.70 per cent. of the home families  
 hire, and 26.30 per cent. own their  
 homes, and of the home-owning fami-  
 lies 6.30 per cent. own with incum-  
 brance, and 93.70 per cent. own free  
 of incumbrance. In 100 home families,  
 on the average, are found 74 that hire  
 their homes, 2 that own with incum-

brance, and 24 that own without incum-  
 brance. The liens on the owned  
 homes are 46.82 per cent. of the value  
 of those subject to lien. Several  
 averages show that the rate of inter-  
 est is 7.94 per cent; value of each  
 owned and incumbered home, \$2,424;  
 lien on the same, \$1,135, and yearly  
 interest charge on each home, \$90.

Real estate purchase and improve-  
 ments, when not associated with other  
 objects, caused 52.31 per cent. of the  
 farm families to incur 49.39 per cent.  
 of the farm debt, and 61.14 per cent.  
 of the home families to incur 51.40  
 per cent. of the home debt.

They have practical ideas of religion  
 in Baltimore. At the last meeting of  
 the Baptist clergymen in that city a  
 resolution was passed that a sermon  
 on the necessity of fenders on street  
 cars should be preached in all the  
 Baptist pulpits of the city yesterday.  
 They also decided to request minis-  
 ters of other denominations to unite  
 in a crusade for fenders on rapid  
 transit cars.

Judge McComas of the district of  
 Columbia supreme court has declined  
 the application of the Miles sugar  
 manufacturing company, of Louisiana,  
 for a mandamus to compel secretary  
 Carlisle to appoint inspectors to ascer-  
 tain the sugar production of the com-  
 pany. The object of the suit, it is un-  
 derstood, who to test the legality of  
 the recent repeal of the sugar bounty  
 provision of the McKinley law and  
 also to lay the foundation for an ap-  
 peal to congress for the payment of  
 the bounty for the current year.

Japan's war expenses are now \$1-  
 000,000 a day, and thereby hangs  
 many a tale to be settled by China  
 hereafter, with several provinces  
 thrown in.

The South Carolinians seem to want  
 a czar, and have selected one of the  
 most dangerous kind. The reckoning  
 will come later.

#### Mr. Davis' Pastor Dead.

ALEXANDRIA, Va., Oct. 14.—Rev. Dr.  
 Minnegerode died here yesterday  
 afternoon after a long illness. He was  
 the former pastor of Christ church, at  
 Richmond, Va., of which Jefferson  
 Davis was a member, and the rever-  
 end gentleman ministered to Mr. Davis  
 while in confinement at fortress Mon-  
 roe, after his capture. Mr. Davis was  
 attending service in Dr. Minnegerode's  
 church when the news of Lee's surren-  
 der came.

#### Journalistic Woes in Indiana.

The editor of a paper in a small  
 town in Indiana says: "We're mad;  
 confound the people! How can they  
 expect us out here, 12 miles from a  
 railroad, 25 miles from a river, mil-  
 lions of miles from heaven, about two  
 from the devil, and 300 feet from a  
 whiskey shop, to get out a live news-  
 paper?"

Hand polished curtain poles 20 cts.  
 each at Thomas & Maxwell's.

#### It May do us much for You.

Mr. Fred Miller, of Irving, Ill., writes that  
 he had a severe kidney trouble for many  
 years, with severe pains in his back and  
 also that his bladder was affected. He tried  
 many so called kidney cures but without  
 any good result. About a year ago he began  
 use of Electric Bitters and found relief at  
 once. Electric Bitters is especially adapted  
 to cure of all kidney and liver troubles and  
 often gives almost instant relief. One trial  
 will prove our statement. Price only 50 for  
 large bottles, at John Y MacRae's drugstore.

### THERE IS.

**There is**  
 One great dangerous American  
 trouble, and that is Bright's  
 disease of the kidneys.

**There is**  
 Scarcely a man or woman that  
 does not have symptoms of it  
 at certain periods of life.

**There is**  
 No mistaking these symptoms.  
 They are dullness, headaches,  
 indefinite pains, bearing down,  
 unnatural urine, brick dust and  
 burning.

**There is**  
 But one thing to do upon the  
 approach of the first signs, and  
 that is use the only standard  
 remedy for these troubles in  
 the world.

**There is**  
 But one known, positive pre-  
 ventive of Bright's disease, and  
 that is Warner's Safe Cure.

**There is**  
 No possible danger if you care-  
 fully observe the first symptoms  
 and take this great Safe Cure  
 in time.
