## THE FAIR.

A GREAT OPENING OF A GREAT EXHIBITION.

Raleigh Merchants Make Good Displays—Four Thousand People Present.

Yesterday's shower came in good time and laid the dust and gave fair weather for the opening day of the fair. For once there can be no complaint about the weather. Let the people give thanks.

The opening was one of the best in the history of the exhibition; the crowd was large and the exhibits in better shape. All the exhibits are by no means ready as yet but tomorrow will see the "great fair," which is the only appropriate name for the exhibition, fairly launched. The programme today was carried out on time in all its particulars, except the balloon ascension. The popular, however, has learned by experience that this feature is never on time so no one was disappointed.

At 11 o'clock Col. Julian S. Carr, the president of the agricultural society introduced Gov. Elias Carr who formally opened the fair in a strong and vigorous speech. He was followed by Prof. Edwin A. Alderman of the university, who introduced D. J. L. M. Corrie. He responded in an excellent address to the "mentors of the state." A splendid brass band furnished good music for the occasion.

One of the pretty features of the opening was the "Old North State," sung by 400 school children from the Murphy and Centennial graded schools. The marshals arrived at the grounds about 11:30 o'clock and presented a fine appearance. It is the generally expressed opinion that the marshals with which the marshals are lauded this year are great improvements on the old style regalias.

The exhibits are nearly all ready and are the finest ever seen in the state, the exposition not excepted. It is a pleasure to see the liberal manner in which Raleigh merchants and industries are helping on the fair and themselves by putting in tasteful and costly exhibits. Numbers of them have exceedingly creditable exhibits, but the local spaces of Messrs. W. H. & R. S. Tucker & Co., W. H. King & Co., and Julius Lewis & Co. deserve special mention. Messrs. W. H. & R. S. Tucker & Co. have one of the finest exhibits ever seen at an exhibition here. It is situated in the extension of the main building just beyond the rotunda of the old floor hall. It consists of a handsome booth about thirty feet in length and filled with as beautiful and tastefully arranged display as it is possible to conceive. Just opposite to this space the firm has erected, in the aisle, a handsome and costly pagoda like structure about fourteen feet in height. The sides are of the finest plate glass and within is a display of ladies gowns robed on figures. One of the features is an excellent wax figure of a young lady dressed in a dainty evening costume. This is an "eye-catcher" and an admiring crowd can always be seen hanging around the exhibit and gazing open-mouthed at the wax beauty.

Julius Lewis & Co.'s exhibit is situated just opposite Tucker's and also attracts universal attention. It is filled with an excellent and well arranged exhibit of hardware.

Messrs. W. H. King & Co. have one of the neatest and best arranged spaces in the building. It is simply a complete drugstore filled with the finest attributes of such an establishment. The cases and toilet articles are especially handsome.

The Raleigh cotton mills and the Caraleigh phosphate works have both put in excellent exhibits.

The midway was in full blast today and the exhortations and thundering addresses of the proprietors of the sideshows gave the sight-seer a bewildering and pleasurable sense of excitement. Although there are some "fakes" among the shows, they are, as a class, better and more honestly conducted than ever before. Among those that are worth the price of admission and are really interesting and instructive Wombwell's menagerie of trained wild animals and the cyclorama of Gettysburg stand head and shoulders over the other "midway" attractions. A curious thing is that the ever-present, up to this time, merry-go-round or "spinning jennie" is not among the "midway" attractions.

Racing commenced at 1 o'clock today and promised to be of a high order. Three races were on the card, two 3 minute class trotting races and a running heat race for two year olds. The balloon finally got off and sailed away followed by the admiring eyes of the multitude.

The fair is undoubtedly the greatest ever held by the agricultural society and the thanks of the state are due to its energetic president and secretary.

## Civil Court.

Court convened this morning at the usual hour, Judge Bynum presiding. No business of any importance was disposed of and court shortly adjourned.

## THE PROGRAMME.

The Features of Tomorrow at the Fair—It Will be Road Congress Day.

The procession will form in front of the Yarbors at 10 o'clock a. m., headed by chief marshal Holt and staff, and proceed to the fair grounds. At 12 o'clock there will be a balloon ascension by Prof. DeCooper and his famous dog, Fitzsimmons.

The races begin at 1 p. m. The events are as follows:

2:35 class, trotting to harness, mile heat; best three in five; purse \$300.

Running, open to all, stake race, three fourths mile heats, best two in three; catch weights, \$25 to enter, \$15 forfeit; purse added \$150.

2:25 class, trotting to harness, mile heat, best three in five; purse \$300.

Running, for all two-year-olds, half-mile dash, catch weights; purse \$100.

In the evening at 7:30 o'clock there will be held a road congress in common hall. Addresses will be made by Gen. Roy Stone, of Washington, C. D.; Prof. Joseph A. Holmes, of Chapel Hill; Mr. J. S. Myers, of Charlotte, and Mr. W. C. McMackin, of Raleigh.

## TO BE WEDDED.

Fashionable Marriage at Christ Church this Evening.

At 9 o'clock this evening at Christ church there will be a marriage which will attract a great many people, not only from Raleigh but from all parts of the state. The contracting parties are Maj. Samuel F. Telfair and Miss Mildred Badger. Rev. Dr. M. M. Marshall will perform the ceremony, assisted by Rev. Nathaniel Harding of Washington, D. C., and Rev. Mr. Gilreath. The best man will be Mr. John L. Pryor and the groomsmen Messrs. Robert P. Holt, N. F. Alston, William M. McGehee, G. F. Taylor, R. B. Raney, J. M. Ayer and Henry King, Jr. and James S. McAllister. The maid of honor will be Miss Mabel Hale. The bridesmaids will be Misses Lempie Hamilton and Marion Hamilton of Baltimore; Sadie Wiswall of Washington, N. C.; Lalla Raney of Kirtland; Kate Prescott of Weldon; Martha Haywood, Janet Badger and Kate Badger of this city. The ushers will be Messrs. Alfred Williams, Jr., Henry Miller, J. M. Ayer and Henry King. After the ceremony there will be a reception at the home of the bride's mother. Mr. and Mrs. Telfair will leave tonight on a tour to New York and Canada. Both are extremely popular all over the state and deservedly so.

## THEATRICAL NOTES.

Last Evening's Events at the Theatres. The Bills for this Evening.

At Metropolitan hall this evening Fred. Marsh's select company will play "Muggs Landing."

At the Academy of music James Young's fine company will present the "Lady of Lyons."

At the Metropolitan hall last evening Mr. Marsh's company made its first appearance here in "Passion's Slave." The audience, though small, appeared to be well pleased and endorsed the songs heartily.

Mr. Young's performance of Richelieu last evening at the academy was worthy of his reputation. He has improved remarkably since his last appearance in this city. His support is excellent. He shows the effect of study and can fill application to his profession. He is a conscientious actor and throws himself thoroughly into the character he assumes. He was given a hearty reception and freely deserves it.

## The Football Championship.

The University and Trinity college football teams will meet on the "gridiron" field tomorrow afternoon at Chapel Hill. The game will probably be the most interesting and exciting struggle of the kind ever seen in the state. Trinity has by far the heavier team and her men are nearly all veteran players. The University team, however, is especially well trained and it is this on which the backers of the "white and blue" base their hopes of the University winning. The odds are on Trinity but as an athletic "tar-beeler" says "the University will play a cracking, good, hard, snappy game."

## An Attractive Store.

Berwanger Bros. say the article now on sale in their elegant store is the "dovetail" cutaway coat, in neat mixtures and plain; the next being long-cut sacks, double breasted; third, business men's suits in chevrets, cassimeres, etc., from \$7.50 to \$15. Other special attractions are underwear, neckwear, etc. Every line (and all are in departments) is complete. The children's department is beautifully stocked and most tastefully fitted up. To all buyers of goods a ticket is given and when the amount reaches \$50 a handsome lamp is given.
