Women Lash a Woman.

CHICAGO, Dec. 19.—Jennie Reese, of
514 Melrose avenue, Gross Park, was
belabored with rawhides by three
other women today, while she was
waiting in the Northwestern depot for
a train. They lashed her until her
face and head were covered with blood,
and then left her on the tracks, where
she had fallen from the platform, in-
sensible. The names of the assail-
ants are unknown. They were heard
to say something about letters and
their husbands as they plied their
lashes.

It is presumed that they were
prompted to their assault by jealousy.
Mrs. Reese is an exceedingly hand-
some woman.

cine. We sell more of it than of any
other cough medicine we handle, and
it always gives satisfaction." For
coughs, cold and croup, it is without
