

RALEIGH'S NEW MAJOR

Popular Capt. Williams Succeeds Major Rodman.

The officers of the First regiment, North Carolina state guard, met in Goldsboro Saturday, and elected the following officers:

Maj. W. B. Rodman, of the First regiment, was elected colonel of the First regiment, vice Col. Wood, resigned; Capt. Alfred Williams, Jr., of the governor's guard, to succeed Maj. Rodman; Maj. Hughes, of Louisburg, to succeed lieutenant colonel Macon resigned, and Capt. Meadows to succeed Maj. Hughes.

Maj. Williams has for several years commanded the governor's guard, and his election to the rank of major is in recognition of his true worth as a soldier. He is a great favorite in military circles, and at several state encampments has been a valuable aid to his superior officers. We extend congratulation to all these gentlemen, and are proud to see this honor conferred on our gallant young captain. Maj. Williams is the youngest officer of this rank in the guard, only 27, but he will carry this honors with dignity, and discharge his duties well.—News and Observer.

RALEIGH APPOINTMENTS.

Those Who Will Return to this District, and Where Former Raleigh Divines Go.

The North Carolina Methodist conference, which has been in session at Durham, adjourned at noon today.

The Visitation is enabled to give a partial list of the appointments, those who will be sent to Raleigh district and where those preachers, to whom local interest attaches, go.

The new presiding elder will be Rev. Dr. E. A. Yates, formerly of the Durham district, while Dr. Cunningham becomes presiding elder of the Durham district. Rev. Dr. L. L. Nash, who is so favorably remembered here, has been transferred from 5th St. church, Wilmington, to New Bern. Following is a list Raleigh district appointments: Edenton street, J. N. Cole; Central, D. H. Tuttle; City mission and Brooklyn, R. H. Whitaker; Cary circuit, V. A. Sharp; Rolesville, Kenneth Holmes; Yanceyville, Mr. Draper; Franklinton, N. H. D. Wilson; Louisburg, J. A. Green; Tar River circuit, F. B. McCall; Granville circuit, Mr. Alfred; Oxford, J. B. Hurley; Oxford circuit, Mr. Perry.

Officer Matt. Jones, in rubber boots and on a dead run, was "the street" only cause for excitement today. He was chasing a runaway, or rather a walk away, horses and wagon which he captured triumphant.

He Caused a \$15,000,000 Loss.

SAN FRANCISCO, Cal., Dec. 8.—The grand jury today indicted George L. Brander for perjury in connection with the failure of the state investment company, of which he was president. Brander manipulated the wheat deal in this city several years ago, in which \$15,000,000 was lost. He left for Scotland a few months ago.

Three Months Idleness for 700 Men.

SHENANDOAH, Pa., December 8.—Orders were received this evening by R. C. Lusher, general superintendent of the Philadelphia & Reading coal and iron company at Shenandoah, Pa., to shut down the Shenandoah City colliery for an indefinite period. The work of tearing down the old breaker and erecting a new and more extensive one will commence on Monday. Seven hundred men and boys will be thrown out for at least three months.

Old People

Old people who require medicine to regulate the bowels and kidneys will find the true remedy in Electric Bitters. This medicine does not stimulate and contains no whiskey or other intoxicant, but acts as a tonic and alterative. It acts mildly on the stomach and bowels, adding strength and giving tone to the organs, thereby aiding nature in the performance of the functions. Electric Bitters is an excellent appetizer and aids digestion. Old people find it just exactly what they need. Price fifty cents per bottle at John Y. MacRae's drug store.

Lenon E. Nief Badly Hurt.

PIESBURG, Pa., Dec. 8.—During last night's performance of "Fantasma," the East End Theatre, Leon E. Nief, the well known baritone, was badly injured. While standing behind the scenes, one of the fountains used in the play, weighing 300 pounds, fell from its place, striking Mr. Nief across the back. He was rendered unconscious.

Two Lives Saved.

Mrs. Phoebe Thomas, of Junction City, Ill., was told by her doctors she had consumption and that there was no hope for her, but two bottles of Dr. King's New Discovery completely cured her and she says it saved her life. Mr. Thos. Eggers, 139 Florida St., San Francisco, suffered from a dreadful cold, approaching consumption, tried without result everything else they bought one bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful. It is such results, of which there are examples, that prove the wonderful efficacy of this medicine in cough and colds. Free trial bottle at John Y. MacRae's drugstore. Regular size 70c and \$1.

TORTURED BY INDIANS.

Indian Territory Cherokee Subject Col. Blackwell, an American, to Terrible Treatment.

GUTHRIE, O. T., Dec. 9.—Col. A. J. Blackwell, a full-fledged American, well known in the West, was arrested some time ago at David, a small town in the Indian territory, charged with selling land, and, according to the Cherokee laws, sentence to death for his treason.

On Monday, Blackwell, after being clean shaven and stripped of his clothes, was taken before Chief Oha, who was then holding a council, and asked to confess. Blackwell answered that he had no confession to make, that he was the victim of a malicious conspiracy, and asked to be released. Then, he was carried bodily to the "Needless," a place of torture adjoining the prison, where he was subjected to treatment horrible in the extreme.

Ten bucks danced around him, and each thrust a steel, used for the purpose, into his naked flesh. Their cries of "Ki-yi," and tortures were kept up until Blackwell, bleeding and faint from the dozens of punctures in his flesh, sank to the ground. In this condition he was taken back to his former cell. He still remains in irons, hand and foot, notwithstanding fervent appeals of his relatives and friends.

His trial has not been set, and what further indignities await him, remain to be seen.

Late on Thursday night four men called at the home of King Berry, near Cushing, in the Sac and Fox country, and riddled him with bullets when he answered their knock at the door. They then set fire to his home and escaped. Berry had been a deputy United States marshal, and several tough characters in that neighborhood, that he had under surveillance, are believed to be his assassins.

Dressed Carefully for Death

LEBANON, Pa., Dec. 9.—After carefully dressing herself, Rebecca Foreman, aged 46, a daughter of John Foreman, committed suicide before daybreak yesterday morning by plunging headlong into a cistern.

The cistern was locked, and she had to first tear loose a plank. She had been ill and was despondent, but never spoke of suicide.

Knights of the Maccabees.

The State Commander writes us from Lincoln, Neb., as follows: "After trying other medicines for what seemed to be a very obstinate cough in our two children we tried Dr. King's New Discovery and at the end of two days the cough entirely left them. We will not be without it hereafter, as our experience proves that it cures where all other remedies fail." Signed, F. W. Stevens, State Com. Why not give this great medicine a trial, as it is guaranteed and trial bottles are free at MacRae's drug store. Regular size 50c. and \$1.00.

Marvelous Results

From a letter written by Rev. J. Gunderman, of Dimondale, Mich., we are permitted to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the results were always marvelous in the case of my wife. While I was pastor of the Baptist church at Rives Junction she was brought down with pneumonia succeeding la grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in results." Trial bottles free at John Y. MacRae's drug store. Regular size 50c. and \$1.00.
