These Two

Men had a bet. What it was we would tell you, only we do not want to add to the loser's in shortune. If you look at the picture you will see that he has all that he can bear up under now. It was but yesterday that this man was an object of eavy and wonder. His was a well stored mind in a boiled-shirted body-you know lots of fellows like him. He know everything, almost, from the time that man was a protoplasm till the hour that Baby Esther Cleveland got her last new tooth. He answered questions in B. C. History with an off-hand "for-goodness-sake-don't-you-know-that" at the two-sake-don't-you-know-that" at the two-sake-don't-you-know-that was the two that" air that was as bitting as a northern blast to less favored mortals.
So the boys in the store where he worked

but up a job on him. All of them read The Observer regularly and one day a special attrounced in augestee a real source to them. They saw within their reach a source of information that would give them a

Whole Army of Facts

Where their "know-it-all" friend had only an "awkward squad." They secured it and then that innocent-looking chap you see in the barrow got into a discussion in history with the man with the mind. Soon the latter was terribly shocked to hear

face before him:
"Old man I think you are wrong." At once a bet was made. The man with the mind lost of course for his fat friend had primed himself for the contest from the new up-to-date Encyclopsedia Britannica, a set of which the boys had purchased. The bet was paid the following day, just as you see it in the picture
