RALEIGH IS PROUD OF IT.

A Magnificent Showing from the Sixth Annual Report of the Southern B. & L. Association, of Knoxville, Tenn.—The Oldest Association in the South and the Largest in America.

December 31st, 1894, assets \$4,924,187.94. Total profit from the management of the association to December 31st '94 \$1,208,883.26. Transferred from the expense fund (which was not needed) \$230,500.00 to loan fund. Receipts during the year 1894 \$1,530,019.01, of which amount only \$60,79 was on hand January 1st, '95, showing that all of the amount was loaned on real estate to its members in the usual way. The Southern received in rents from the Home Office Building in 1894, \$4,409.65.

The expense of the management is less per share than in any other Building and Loan Association, therefore the profits are larger than in any other Building and Loan Association doing business here. There never has been a single complaint of a borrower or investor, but all speak a good word for the Southern. Raleigh citizens show their appreciation and confidence in the Southern as an investing medium in the fact that they are the owners of more than 1,200 shares, representing \$120,000 worth of stock. (Over 135 members in Raleigh.)

The Southern is fortunate in having secured the services of Mr. C. C. McDonald to manage the Raleigh Branch. He is a hustler. Mr. McDonald informs us that he has rented the office in Jones & Powell's store, and will fit it up and occupy it after February 15th. Mr. McDonald, in addition to the Raleigh office, has been offered and has accepted the State Agency of the Southern, and will have supervision over North Carolina. If we are to judge from his success in managing the Raleigh Branch, we predict for him a fine business in the state. Mr. McDonald, though, modestly says it is the Association he represents that is the drawing card.

Oysters stew, fry and raw the best you ever saw, at Dughi's.

Dughi's restaurant is always supplied with fresh oysters. He gets them every day.

If you want solid measure oysters at 25 and 35c, a quart go to D. Bell & Co.'s stall in the market house.

Fine steak, with onion or potatoes at Dughi's for 25 cents.

We have fine oysters at 25 and 35c, at D. Bell & Co.'s dec31f

False alarm—There are no oysters in town—Dughi has them.

Extra bargains in furniture at Thomas & Maxwell. Bed lounges with detachable mattresses a specialty.

IN THE DRIFTS

THERE WAS A DEAL OF NEWS BURRIED.

Items Picked Up Frozen Hard And Thawed Out.

Another cold wave is booked for Raleigh.

Fred. B. Rice, Esq., of Wilmington, is here at the Yarboro.

Mr. M. M. Mitchier, of Roxboro, arrived here on an early train this morning.

Mr. H. A. Foushee, of Durham, was again on the streets in spite of the sleet, today.

A meeting of the ladies auxiliary to the Y. M. C. A. is called for Monday afternoon at 4:30 o'clock.

There will be no services at the Y. M. C. A. Sunday afternoon on account of the inclemency of the weather.

The water pipes in the hallway to Dr. Turner's office burst last night and flooded the hall and the steps.

Weather prognosticator Von Herrmann, to use a slang phrase, "gets there" in the matter of predictions.

Mr. B. B. Brooks, of Waynesville, and T. W. Pitter, of Carrutuck, have been appointed notaries public by the governor. Still the work goes on.

Ralph Fisher concert will be given next week. The object is a worthy one, to fit a talented blind boy to make a living, and should receive hearty support.

Services at the Baptist tabernacle at 11 o'clock a. m. The pastor will fill his pulpit, having recovered. Sunday school at 9:15 a. m.

N. B. BROUGHTON, Sept.

The senate committee on propositions and grievances this morning reported favorably on the bill to establish local option. Next Tuesday morning was set for discussion of the bill.

Early this morning a force of hands was put at work cleaning the street car tracks of snow. At 9 o'clock the cars started. Manager Keeler's enterprise in starting the cars is very commendable.

The sale of the effects of the assigned grocers, Patterson and Pearce, which was to have been held today has been postponed on account of the weather. The sale will be held on next Tuesday at 12 o'clock.

The state Y. M. C. A. convention meets here March 21st to 24th. Secretary Cooper has already received assurances from a number of Y. M. C. A. men that they will be present. He expects a large attendance and an enthusiastic meeting.

Columbus Leach, a colored man, was brought here yesterday afternoon from Panther branch township and jailed for larceny. He was tried by "Squire" James Adams and sent to court on \$200 bail. Being unable to pay he was jailed.

Last night Capt. R. H. Brooks had a very unpleasant experience and a narrow escape from serious accident. He was driving through the country to serve a paper and in the dark his horse upset the buggy in a ditch. A colored driver was also in the buggy but neither he nor Capt. Brooks was hurt, as they fell in a bed of soft snow.

Superintendent McPheeters.

Yesterday afternoon in the office of the water company on Morgan street the directors of the Raleigh water works met to elect a superintendent of the system to succeed the late Capt. E. B. Englehard, who had been at the head since the establishment of the works.

The board elected A. M. McPheeters, Jr. to fill the vacancy. He has been for seven years the assistant superintendent and has proved himself thoroughly competent and faithful. He helped to put down the pipes in the city, and has been with the water company since it began business. He will doubtless fill the position well.

Hicks' Fragrant Almonds

THE PUBLIC PRINTING.

The Printing Committee Opened the Bids Today—M. L. and J. C. Stewart, of Winston, the Lowest Bidders.

This morning at 10 o'clock the printing committee of the senate and house met in the office of the secretary of state for the purpose of opening the different bids sent in by applicants for the public printing, which by law is given to the lowest bidder. Five bids were handed in, the bidders being M. M. Uzzell, Edwards and Broughton and Barnes Brothers, of Raleigh, and J. W. Goslin and M. J. and J. C. Stewart, of Winston.

All the bidders were present in person were represented. Quite a little discussion arose before the bids were opened as to whether or not a practical printer should be called in to assist the committee but it was finally agreed to open the bids immediately. Representative Lineback was made secretary and the bids were opened. Long itemized forms had been prepared according to which the bids were prepared. E. M. Uzzell was the first bidder whose bid was examined. He bid for composition 33 1/3 cents per 1000 ems plain matter and 66 2/3 cents per 1000 ems for rule and figure work.

M. L. and J. C. Stewart bid 27 cents per 1000 ems plain work and 52 cents per 1000 for rule and figure work.

Edwards and Broughton bid 33 1/3 cents for plain work and 67 cents for rule and figure work.

J. W. Goslin, of Winston bid 34 cents for plain work and 67 cents for rule and figure work.

Barnes Brothers bid 28 cents for plain work and 56 cents for rule and figure work. Their bid was nearly as low as that of the Stewart's except on blank books and press work. In this particular the Stewart's bid far lower than any of their competitors. The bids have not yet been calculated but the Stewart's firm is undoubtedly the lowest bidder and if they give satisfactory bond will get the printing.

MISS TYSON DEAD.

She Died Yesterday Afternoon After a Very Brief Illness.

Last evening Miss Florence Tyson, the elder daughter of captain and Mrs. B. H. Tyson died at the home of her parents on West Jones street. About a week ago she was taken ill with la grippe which quickly developed into pneumonia. She was not considered dangerously ill until yesterday afternoon when her condition took a sudden change for the worse. She sank rapidly and at 6 o'clock she passed quietly away.

Miss Tyson had only lived here two years, for it was only two years ago that her father moved here from Wilson, but during her short stay she has made scores of friends who will hear with deep regret of her sad and untimely death. She was just eighteen years old.

Her father is absent on business in Chicago and cannot possibly reach here before Sunday. A sad home coming is his.

The funeral will be held in Wilson, the old home of the family, where Miss Tyson's remains will be carried.

Two Cartloads of Human Heads.

TARANGIER, Morocco, Feb. 15.—A detachment of Moorish cavalry has arrived at Casa Blanca, a seaport of Morocco, on its way to Fez, with ghastly trophies of war for the Sultan. These consist of two cartloads of human heads, obtained during a recent punitive expedition against the Rahanna rebels. They have been salted to preserve them, and will be presented to the Sultan in that condition. They will after be exhibited on the walls of Fez.

Bananas, oranges and lemons, certainly you will find them at Dughi's.

It is said that there has been a break between Senator Brice and congressman Pearson of Ohio over a \$1,000 post office in Pearson's district. The senator and congressman has been warm friends up to the time when Pearson determined to recommend an editor named Mr. Stienrod, who is said to be personally very objectionable to senator Brice, for the office at St. Clairsville. The senator remonstrated with the congressman, but without effect so it is said. It is possible that Mr. Brice will make a protest at the department against the man whom Mr. Pearson recommends.
