### The Old Story.

Soon will be the politician  
In his retirement row  
That office holding is not much  
For comfort, anyhow.

And yet, when several years are past  
While he has fallow lain,  
Its 25 to one that he  
Will up and run again.

She Could.

"Can you return my love?" he cried  
His eye with passion lit,  
"Assuredly I can," she said,  
"I have no use for it."

### NEW WOMAN IN THE CHURCH

Installation of Mrs. MacCoy as a  
Universalist Pastor.

A Mansfield, Mass., special says Mrs.  
Mabel L. MacCoy, well known as a  
temperance orator, was installed pas-  
tor of the First Universalist church here  
this evening.

The occasion was of the deepest in-  
terest to every one in the denomina-  
tion, as Mrs. MacCoy is considered a  
brilliant and brainy woman, and is ex-  
pected to still new ideas into her  
chosen profession.

It was evident that the parish had  
made every effort to have the ceremony  
performed with fitting and attractive  
surroundings. About the altar was  
an immense quantity of white flowers,  
canna lilies, etc. These were set off  
with wreaths of smilax and pots of  
ferns.

Mrs. MacCoy is a handsome dark-  
eyed woman, whose hair has just com-  
menced to turn silver. She graduated  
from Tufts College, with distinguish-  
ing honors last June, and has since  
been preaching at Mansfield, author-  
ized by a license.

"Perhaps you would not think so,  
but a very large proportion of dis-  
eases in New York come from care-  
lessness about catching cold," says  
Dr. Syrus Edson. "It is such a sim-  
ple thing and so common that very  
few people, unless it is a case of pneu-  
monia, pay any attention to a cold.  
New York is one of the healthiest  
places on the Atlantic Coast and yet  
there are a great many cases of catarrh  
and consumption which have their  
origin in this neglect of the simplest  
precaution of every day life. The  
most sensible advice is, when you  
have one get rid of it as soon as pos-  
sible. By all means do not neglect it."  
Dr. Edson does not tell you how to  
cure a cold but we will take Cham-  
berlain's Cough Remedy. It will re-  
lieve the lungs, aid expectoration,  
open the secretions and soon effect a  
permanent cure. 25 and 50 cent bot-  
tles for sale by J. Hal Bobbitt.

### Off to the West Indies.

WASHINGTON, March 24.—A tele-  
gram was sent from the navy depart-  
ment yesterday to the commander of  
the cruiser Columbia at New York, di-  
recting him to proceed to sea. The  
instructions to the commander of the  
Columbia are to proceed to the first  
port in the West Indies and report to  
admiral Meade.

When the Columbia joins the West  
Indian squadron of evolution; admiral  
Meade's force will consist of the New  
York, Minneapolis, Cincinnati and  
Columbia.

The last report received from the  
squadron was that it was at San Do-  
mingo.

Chamberlain's Cough Remedy gives  
the best satisfaction of any cough  
medicine I handle, and Chamberlain  
leads all other preparations in this  
market. I recommend it because it is  
the best medicine I ever handled for  
coughs, colds and croup. A. W. BALD-  
WIN, Millersville, Ill. For sale by J.  
Hal Bobbitt.

### GIRLS IN A PANIC.

CHICAGO, March 22.—While one of  
the girls employed by the Square  
match company was pulling out a  
crate of matches yesterday a match  
ignited, set fire to the boxes, and in a  
moment the factory was in flames.  
The employees, mostly girls, became  
panic-stricken, and several of them  
jumped from a second story window.  
Several were injured in the crush  
or by jumping, the most seriously be-  
ing Annie Hans, whose back was  
sprained. The fire was extinguished  
before much damage was done. The  
total loss is less than \$2,500.

A severe rheumatic pain in the left  
shoulder had troubled Mr. J. H.  
Loper, a well known druggist of Des  
Moines, Iowa, for over six months.  
At times the pain was so severe that  
he could not lift anything. With all  
he could do he could not get rid of it  
until he applied Chamberlain's Pain  
Balm. "I only made three applica-  
tions of it," he says, "and have since  
been free from all the pain." He  
now recommends it to persons simi-  
larly afflicted. It is for sale by J. Hal  
Bobbitt.

Print clothes are at the lowest  
notch.

### The Discovery Saved His Life.

Mr. G. Caillouette, druggist, Beavers-  
ville, Ill., says: "To Dr. King's New  
Discovery I owe my life. Was taken  
with a gripe and tried all the physi-  
cians for miles about, but to no avail  
and was given up and told I could not  
live. Having Dr. King's New Discovery  
in my store I sent for a bottle and be-  
gan its use and from the first dose  
began to get better, and after using  
three bottles was up and about again.  
It is worth its weight in gold. We  
can't keep store or house without it."
