The Republicans Had a Mass Meeting Last Evening.

At Metropolitan hall last evening there was a republican mass and ratification meeting. On motion C. T. Bailey, J. C. L. Harris was made chairman. Speeches were made by W. W. Wynne, Charles Hoover, J. H. Alford, Thomas G. Jenkins, C. P. Bailey, Ed. Johnson, J. H. Young, J. C. L. Harris, C. E. King, Pat. Stewart, B. J. Robertson and others.

The second ward republicans got together and nominated C. T. Bailey, T. R. Parnell and W. J. Weir for alderman. These nominations as well as all others made were ratified by the mass meeting. Satterfield, clerk of the house in the late legislature, was called on and spoke. He made no reference to the "mortgage bill." The republicans were all called on to vote Monday, at the first popular election in Raleigh in 20 years. The unregistered were urged to register today.

T. R. Parnell tells the VISITOR that he positively declines to be a candidate. His nomination was without his knowledge or consent.

U. S. Cruiser Raleigh.

Following the example set by the sponsors for the cruiser Raleigh in a neighboring town, the committee in Raleigh make an earnest appeal to every man, woman and child in this city to contribute some sum with which to purchase a suitable gift for the cruiser from North Carolina. Any sum from 10 cents up will be acknowledged. The Southport leader, which is doing so much towards the raising of this fund, should have the hearty support of the people of North Carolina. Contributions will be received by Col. Olds and any of the committee. The committee now is Mrs. Omega Foster, Mrs. Julian Timberlake, Miss Eliza Pool and Mrs. F. A. Olds. Others will be added and their names given next week.

THE MORTGAGE BILL.

THE MATTER CAME UP IN SUPERIOR COURT TODAY.

Facts as to the Enrollment of this Notable Bill.

An affidavit was yesterday filed in the superior court here in the matter of the noted "mortgage bill" to the effect that the house tabled this bill on the night of March 11, and not on the 12th, as clerk Satterfield has it stamped. Satterfield swears it was tabled on the 12th. The young lady who copied this bill for enrollment has been found. She says it was given her to copy by a clerk of the legislature. There is going to be a lot of stir about this matter before the case ends. The governor, as a citizen, sues the secretary of state to prevent the latter from turning over to Stewart Bros., the public printers, the enrolled act. Secretary Coke answers the governor's complaint by saying that he is advised that he has no legal power to look behind the ratification of the act, and was, therefore, bound to receive it. The secretary denies that he has threatened to do, or not to do, anything with the said act; that he would, however, have had it printed had he not been enjoined from so doing by order of the court.

BOARD OF ALDERMEN.

A Summary of Proceedings at the Last Session of the Board.

The last meeting of the present board of aldermen was held last evening, mayor Badger presiding. There were present aldermen Bowes, Correll, Grimes, C. E. Johnson, Lee, Lewis, Robinson, Stronach and Terrell. Alderman Johnson submitted the annual report of the fire department, which was very satisfactory. The fire committee was authorized to hire a hall for the Victor company. The liquor license held by the late W. T. Mabry was transferred to the person who bought out his place of business. Tax collector Hutchings made his report of delinquent taxes, which showed that there are over 300 delinquents. Alderman Stronach made a motion that the mayor be allowed salary as provided by the new city charter.

Tax collector Hutchings collections from April 4 to April 30 were \$858. He also collected the market rents, \$260 73 for April.

New doors and frames at the Rescue engine house are to be put in. The Governors' Guards are allowed \$200 for 1895. The street committee is considering a petition for the opening of Elm street. The city attorney is preparing and rearranging the city ordinances. The ones remain in effect until the new ones are ratified. Five hundred copies of the new city charter have been purchased for distribution.

It is not known positively that any report will be made this year. No report for 1894 was issued.

The report of Chief Mahler of the fire department shows that during the year ending February 28th there was 29 alarms of fire. The total loss was \$1975 for the twelve months thus ending, all fully covered by insurance. The total insurance on burned property was \$9500. The loss was principally at Ruffin Roles \$1200. Stables at city lot \$225. Mrs. V. C. Ayer's house \$200, Mrs. W. G. Hill's kitchen \$100. The city has 4000 feet of cotton house. The water pressure on the hydrants varies from 50 to 70 pounds, according to location of hydrant. No accidents to the firemen occurred during the year. There are a steamer, two hand-hose reels, two hose wagons, one horse hose reel, one hook and ladder truck.

THE MONUMENT.

PREPARATIONS FOR MAY 20 CEREMONIES.

The Veil Will be Lifted by Little Julia Jackson Christian.

IN THE SUPERIOR COURT.

The Noted Mortgage Bill Case Being Argued.

In the superior court today the case of W. D. Upchurch, Jr., vs Maggie Upchurch for divorce was taken up and a divorce granted.

The case of L. R. Wyatt et al vs the Wheeler & Wilson manufacturing company et al, and Elias Carr vs Octavius Coke, secretary of state, were called up for hearing together. Complaint for plaintiff Wyatt was read by J. N. Holding, and answer by C. M. Busbee. Complaint and answer were read in the latter case by Messrs. F. H. Busbee and Armistead Jones. The demurrer to the complaint of plaintiff L. R. Wyatt et al was read by Messrs. Argo and Snow. Argument was begun by ex-judge Strong as upon demurrer "ore tenus." He argued that a law could be attacked and the journals of the legislature introduced to show the act had never passed; that in at least 23 states this had been decided; that the bill which was copied on the enrolling sheet was copied by Miss Daisy Branson of Raleigh, who said it was slipped on the table by a clerk when several ladies were copying the bill at the Branson house the day before the legislature adjourned. She testified that the word "tabled" was not in her opinion then on the bill. The bill does not appear on the senate calendar. On the house calendar it appears to have been tabled on the second reading. The chief clerk of the house, S. P. Satterfield, certified to a copy of the calendar showing the entry of "tabled" on the second reading, and swore the original bill had never left his possession.

It is said that A. P. Hill confederate camp of Petersburg and Pickett-Buchanan camp of Norfolk will be here May 20.
