> The news from New York is that the S. A. L. is making a big move to attend business into Europe, as a retaliatory measure on the Southern. It is said that the Seaboard has printed a block of 100,000 tickets which will be placed in the hands of scalpers. Seaboard Air Line ticket offices will be established all over the continent at centres of emigration from Italy to Norway, and they will offer tickets from any from any point in Europe to places in the United States as far west as California. The Thingvalla line is an ally of the S. A. L. in this project. Connections with these lines will include points in all the southern states.

The Market House Renters. This afternoon at 5 o'clock the market house committee, composed of Messrs. Charles E. Johnson, H. M. Ivey and L. N. White, met a committee of the butchers and hucksters, composed of Messrs. J. N. Hubbard, Thomas Pence and C. F. Cook, to discuss the matter of lowering the rents in the market house. They are now in session. The renters, at the request of Mr. Holding, city attorney, retained Thomas M. Argo, Esq., to represent them.
