ESCAPAPIAN LOVE.

Oh! bid me not, Amanda, as a student of the lancet. To meet you when the moon has tinged the sleeping earth with gold; The evening is traditionally fitting, but perchance it would bring about bronchitis, or at least a heavy cold.

And though we love each other as but few have loved before us, We need no outward token of unalterable bliss; Leave that to those less prudent; the authorities assure us That very often microbes are transmitted by a kiss.

Nor must you rush towards me to express your satisfaction; Its true that fate has severed us for many a weary day; But still excitement, as you know, accelerates the action of pulse and heart in really quite a prejudicial way.

I'll see you then at midday (please make sure the room is heated To 80 degrees or 81 degrees); we'll talk about the past, And how our various ailments by our doctors have been treated; When, by the way, Amanda, were you vaccinated last?

And so we'll meet tomorrow; I will sing your favorite ballad, For vocal exercises greatly benefit the lungs, And having lunched discreetly off an hygienic salad, We'll gaze into each other's eye and on each others tongue!

Sometime ago I was troubled with an attack of rheumatism. I used Chamberlain's Pain Balm and was completely cured. I have since advised many of my friends and customers to try the remedy and all speak highly of it. SIMON GOLDBAUM, San Luis Rey, Cal. For sale by J. Hal Bobbitt.

To make knowledge valuable, you must have the cheerfulness of wisdom; Goodness smiles to the last.

A horse kicked H. S. Shafer, of the Freemyer House, Middleburg, N. Y., on the knee, which laid him up in bed and caused the knee joint to become stiff. A friend recommended him to use Chamberlain's Pain Balm, which he did, and in two days was able to be around. Mr. Shafer has recommended it to many others and says it is excellent for any kind of a bruise or sprain. This same remedy is also famous for its cures of rheumatism. For sale by J. Hal Bobbitt, druggist.

A Stern Rebuke.

He—You said you'd return whatever I gave you and here you are giving a blow for a kiss.

She—Well you gave me a smack and I'm giving you one. That's all.

Old People.

Old people who require medicine to regulate the bowels and kidneys will find the true remedy in Electric Bitters. This medicine does not stimulate and contains no whiskey or other intoxicant, but acts as a tonic and alterative. It acts mildly on the stomach and bowels, adding strength and giving tone to the organs, thereby aiding nature in the performance of the functions. Electric Bitters is an excellent appetizer and aids digestion. Old people find it just exactly what they need. Price fifty cents per bottle at John Y. MacRae's drug store.

A Survival of Individualism.

Men may unite for wrong or right; But in the twilight hour A girl prefers that fate be hers To be wooed by one-man power.

Last June Dic Crawford brought his twelve-month-old child, suffering from infantile diarrhoea, to me. It had been weaned at four months old and had always been sickly. I gave it the usual treatment in such cases but without benefit. The child kept growing thinner until it weighed but little more than when born, or perhaps ten pounds. I then started the father to giving Chamberlain's Colic Cholera and Diarrhoea Remedy. Before one bottle of the 25 cent size had been used a marked improvement was seen, and its continued use cured the child. Its weakness and puny constitution disappeared and its father and myself believe the child's life was saved by this remedy. J. T. MARLOW, M. D., Tamaroa, Ill. For sale by J. Hal Bobbitt, druggist.

Righteous Indignation.

King Yambesi—What is the news, Psycho-not?

Psycho-not—This paper left by the missionary gives the particulars of the Holmes case and the Pitsel children—

"Ha! More American outrages! How shall we deal with that people?"

W. H. Nelson, who is in the drug business at Kingville, Mo., has so much confidence in Chamberlain's Colic, Cholera and Diarrhoea Remedy that he warrants every bottle and offers to refund the money to any customer who is not satisfied after using it. Mr. Nelson takes no risk in doing this because the remedy is a certain cure for the disease for which it is intended and he knows it. It is for sale by J. Hal Bobbitt, druggist.

The Piano's Introduction.

It is said that the first use of the piano in public was the year 1766, at the Covent Garden theatre. An old playbill issued a few days before the performance contained the following item:

"At the end of act 1 Miss Bickler will sing a favorite song from 'Judith,' accompanied by Mr. Dibdin, on a new instrument called the 'piano-forte.'"

Marvelous Results

From a letter written by Rev. J. Gunderman, of Dimondale, Mich., we are permitted to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the results were always marvelous in the case of my wife. While I was pastor of the Baptist church at Rives Junction she was brought down with pneumonia succeeding la grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in results." Trial bottles free at John Y. MacRae's drug store. Regular size 50c and \$1.00.

The Change.

Banks—I thought she needed sympathy and I married her.

Hanks—And—

Banks—And we have now changed places.

Chamberlain's is the best of all. Vincent J. Barkl, of Danbury, Iowa, has used Chamberlain's Cough Remedy whenever in need of a medicine for coughs and colds, for the past five years and says "it always helps me out. If any one asks me what kind of cough medicine I use, I reply, Chamberlain's, that is the best of all. 25 and 50c a bottle for sale by J. Hal Bobbitt, druggist.

When Baby was sick, we gave her Castoria. When she was a Child, she cried for Castoria. When she became Miss, she clung to Castoria. When she had Children, she gave them Castoria.

CASTORIA

for Infants and Children.

MOTHERS, Do You Know

that Paregoric, Bateman's Drops, Colley's Cordial, many so-called Soothing Syrups, and most remedies for children are composed of opium or morphine?

Do You Know that opium and morphine are stupefying narcotic poisons?

Do You Know that in most countries druggists are not permitted to sell narcotics without labeling them poisons?

Do You Know that you should not permit any medicine to be given your child unless you or your physician know of what it is composed?

Do You Know that Castoria is a purely vegetable preparation, and that a list of its ingredients is published with every bottle?

Do You Know that Castoria is the prescription of the famous Dr. Samuel Pitcher. That it has been in use for nearly thirty years, and that more Castoria is now sold than of all other remedies for children combined?

Do You Know that the Patent Office Department of the United States, and of other countries, has issued exclusive right to Dr. Pitcher and his assigns to use the word "Castoria" and its formula, and that to imitate them is a state prison offense?

Do You Know that one of the reasons for granting this government protection was because Castoria had been proven to be absolutely harmless?

Do You Know that 25 average doses of Castoria are furnished for 35 cents, or one cent a dose?

Do You Know that when possessed of this perfect preparation, your children may be kept well, and that you may have unbroken rest?

Well, these things are worth knowing. They are facts.

The fac-simile signature of *Chas. H. Pitcher* is on every wrapper.

Children Cry for Pitcher's Castoria.
