PHILOSOPHY OF RAIN.

When the rain comes pourin' down,
Smile an' let her rain!
The dry land—it gets thirsty,
And the mountains and the plain,
They cry out for a drop to drink,
An' all the wither'd flowers
Are glad to see the rain fall free,
And freshen with the flowers.

Can't have sunlight all the time—
Glad for rain to fall;
Fills the wells an' makes the dells
Look fresh an' sparklin' all.
The raindrop makes the roses grow,
So what's the use in sighs?
The good Lord runs the business
Like he wants to in the skies.

Miraculous Results

From a letter written by Rev. J. Gauderman, of Dimondale, Mich., we are permitted to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the results were always marvelous in the case of my wife. While I was pastor of the Baptist church at Rives Junction she was brought down with pneumonia succeeding la grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in results." Trial bottles free at John Y. MacRae's drug store. Regular size 50c. and \$1.00.

Writing of a negro revival, the Sanford Express reporter closes with: "Next day I heard one of the brethren say, 'Boss, des tell you we had a splendid meetin'. Nineteen got 'ligion and as many more would er got it if dar ha' er been roof on de floor.'"

The Discovery Saved His Life

Mr. G. Caillouette, druggist, Beaverville, Ill., says: "To Dr. King's New Discovery I owe my life. Was taken with la grippe and tried all the physicians for miles about, but to no avail and was given up and told I could not live. Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better, and after using three bottles was up and about again it is worth its weight in gold. We can't keep store or house without it." Get a free trial bottle at John Y. MacRae's drug store.

Her Countenance Fell.

Carson—I met Lottie on the avenue this morning and as she recognized me her countenance fell.

Merriek—Why so?

Carson—Because the pavement was slippery. The rest of her fell too.

Knights of the Maccabees.

The State Commander writes us from Lincoln, Neb., as follows: "After trying other medicines for what seemed to be a very obstinate cough in our two children we tried Dr. King's New Discovery and at the end of two days the cough entirely left them. We will not be without it hereafter, as our experience proves that it cures where all other remedies fail." Signed, F. W. Stevens, State Com. Why not give this great medicine a trial, as it is guaranteed and trial bottles are free at MacRae's drug store. Regular size 50c. and \$1.00.

A perfect skeleton of an ancient elk, in an excellent state of preservation, was found about two feet under ground, at Fiebburg, Mich., a few days ago.

When moving into our present home I found a bottle of Chamberlain's Pain Balm left by a former tenant. On the label I found the statement that it was good for cuts and burns. I can testify to the truth of this. Nothing in all my experience has found its equal for treating blisters or burns. F. E. Barrett, manager Le Sueur Sentinel, Le Sueur, Minn. Pain Balm is also a sure cure for rheumatism. For sale by J. Hal. Bobbitt, druggist.

A Weather Note.

One day's hot—
Another's not;
Keep the heart a singin'!
All the world's a garden spot—
Hear the bells a ringin'!

Sorrow
We borrow—
Grievin' night and day;
God will keep tomorrow;
Sing along the way!

My boy was taken with a disease resembling bloody flux. The first thing I thought of was Chamberlain's Colic, Cholera and Diarrhoea Remedy. Two doses of it settled the matter and cured him sound and well. I heartily recommend this remedy to all persons suffering from a like complaint. I will answer any inquiries regarding it when stamp is inclosed. I refer to any county official as to my reliability. Wm. ROACH, J. P., Primory, Campbell Co., Tenn. For sale by J. Hal Bobbitt.

Ate and Grew Fat.

Last year some railroad ran a line of cars through Texas, all painted green, and when the train stopped at the first station in the grasshopper country, the grasshoppers lit on the cars and ate them clean down to the wheels.

Kenneth Bar-mor had the "good fortune to receive a small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy when 5 members of his family were sick with dysentery. This one small bottle cured them all and he had some left which he gave to Geo. W. Baker, a prominent merchant of the place, Lewiston, N. C., and it cured him of the same complaint. When troubled with dysentery, diarrhoea, colic or cholera morbus, give this remedy a trial and you will be more than pleased with the result. The praise that naturally follows its introduction and use has made it very popular. 25 and 50 cent bottles for sale by J. Hal. Bobbitt, druggist!

CAMPOS' resignation is a serious blow to Spain. It is a confession, on the part of her greatest soldier, that the insurrection in Cuba is too formidable to be coped with successfully by the forces which Spain has in the island, or which she is at present disposed to send there. This will give great encouragement to friends of Cuba everywhere. It will furnish additional volunteers and supplies from the United States to the insurgents.

CASTORIA

for Infants and Children.

MOTHERS, Do You Know

that Castoria is the most reliable medicine for children, and that it is composed of opium or morphine?

Do You Know that opium and morphine are stupefying narcotic poisons?

Do You Know that in most countries druggists are not permitted to sell narcotics without labeling them poisons?

Do You Know that you should not permit any medicine to be given your child unless you or your physician know of what it is composed?

Do You Know that Castoria is a purely vegetable preparation, and that a list of its ingredients is published with every bottle?

Do You Know that Castoria is the prescription of the famous Dr. Samuel Pitcher. This it has been in use for nearly thirty years, and that more Castoria is now sold than of all other remedies for children combined?

Do You Know that the Patent Office Department of the United States, and of other countries, have issued exclusive right to Dr. Pitcher and his assigns to use the word "Castoria" and its formula, and that to imitate them is a state prison offense?

Do You Know that one of the reasons for granting this government protection was because Castoria had been proven to be absolutely harmless?

Do You Know that 35 average doses of Castoria are furnished for 35 cents, or one cent a dose?

Do You Know that when possessed of this perfect preparation, your children may be kept well, and that you may have unbroken rest?

Well, these things are worth knowing. They are facts.

The fac-simile signature of *Chas. H. Pitcher* is on every wrapper.
