BRIEF NOTES.

Attention is called to the Sheriff's notice.

Senator Butler and Congressman Skinner are at the Yarrowborough House.

Mr. James C. Parham, of Wilmington, is in the city visiting relatives and friends, and will return Wednesday.

The Hardy Bros. Co. have been awarded the contract to furnish the annunciator and bells for The Carroll Hotel.

Beautiful weather attracted thousands of people from the city to Camp Grimes yesterday. There were a great many strangers in the city and the hotel and boarding houses were taxed to their utmost capacity. Large numbers of people from adjacent towns took advantage of the Sabbath to see the North Carolina soldier boys in camp. The street cars and hacks did a thriving business.

Men and medicines are judged by what they do. The great cures by Hood's Sarsaparilla give it a good name everywhere.

Our Money is at Work!

A tireless toiler in a depressed market; an active and alert watcher in the vast precincts of production, a maker of opportunities; an honest gleaner of honest bargains. The past week was of fruitful buying; the present shall be a week of fruitful selling. Worth prices have been crumbled to mere nothings; and great, stalwart values will be led away, the captives of your prompt response.

- More of the Suits at \$6. As luck would have it, we were able to get a couple of hundred more of those Men's Regular \$9.50 Suits at a price that it is possible for us to mark them \$6. Take 'em out and compare them with what anybody is offering at \$7.50. If they are not just as good, bring them back and get your money. We know what clothing values are, and these are absolutely \$7.00 suits.
- Two Hundred Men's Suits. That are worth \$10, and as good as lots that are selling in town today at \$20, offered as a special privilege at \$7.50. They are round and square cut Sack Suits of fashionable fabric and effect—all wool, of course; we wouldn't sell a suit that was not. Waiting just means paying \$2.50 to \$4 more for a suit that cannot possibly be better. See them! You will soon be interested.
- Two Hundred Dozen Half-Hose. At less than they can be landed for in this country today. Fast-color Tans and Blacks. They are worth, in the open market today, 25 cents a pair; our price 15c, two pairs for 25c. Staw Hats, Negligee Shirts, light woolen and cotton Underwear, are ready and in line—of course correct in style and quality, and at our usual low prices.
