CARD OF THANKS.

We hereby desire to return our sincere thanks to the kind people of Durham and elsewhere, who in so many ways manifested so much sympathy for us in this our time of greatest distress.

In the loss of our beloved son, William Matthew Barber, the many tokens of kindness to us and love to our boy was a value to some extent to our aching hearts. Especially did we appreciate the sympathy extended by Mrs. Bagley, of Raleigh, who, just at this time can possibly more fully realize our intense suffering than any one else.

A NARROW ESCAPE.

Thankful words written by Mrs. Ada E. Hart, of Groton, S. D. "Was taken with a bad cold which settled on my lungs; cough set in and finally terminated in Consumption. Four doctors gave me up, saying I could live but a short time. I gave myself up to my Savior, determined if I could not stay with my friends on earth, I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for Consumption, Coughs and Colds. I gave it a trial, took in all eight bottles. It has cured me, and thank God I am saved and now a well and healthy woman." Trial bottles free at any drug store. Regular size 50c. and \$1.00 guaranteed or price refunded.

On Some Good Things.

Why should you pay any store a dollar for an article, if you can buy the identical article of us for seventy-five cents?

We mention a few items at random from several departments, we'd like for you to see these, and judge this store by them.

There may be a hundred pretenders, but there can be but one real leader—one store that embodies every attribute of mastership—always honest qualities, always lowest prices, always the widest variety. By these tokens we are the recognized leaders, in whom the people have confidence, to whom they extend their patronage freely, from whom they receive their greatest satisfaction—The Perfect Store.

We've Crossed the Line

of prejudice. None of the ready-made ear-marks about our suits. Every evidence of custom tailoring, except in the price and the tape-line nonsense. They are made by expert tailors—artist cutters cut them, who are without peers in their line. We buy in large quantities, which insures us the lowest prices that can be made, and brings your cost down to its lowest point. A fair retailer's profit is all we ask—all you pay—and that's how we can sell better clothes than anybody, cheaper than everybody. We want to do it, and we do it.

THESE ARE BIG VALUES EVEN FOR US TO OFFER. \$7.50, \$10, \$12.50, \$15.

A line of Sack and Cutaway Suits that no one else can match at our prices. Fashionable weaves in Cashmeres, Cheviots, Plain and Pin-checked Worsted, Clays, Diagonals, etc. Best Suits ever offered for the money.

BICYCLE SUITS—Another lot those popular \$7 50 ones just received; also the new Plaid Bicycle Trousers.

Our buyer has returned from the market, and the light-weights are coming in fast. Everything comfortable for the hot weather will be found in our stock. Big assortment of Boys' Knee-pants just received, and at low figures.
