#### TRouble AT MANILA.

By Cable to the Times-Visitor.  
HONG KONG, August 16.—It is rumored that the United States troops at Manila have had trouble with the rebel forces under Aguinaldo. According to one account the insurgents, upon whom various restrictions have been placed by General Merritt, mutinied at not being permitted to have a share in the plunder of the city and attacked the Americans in the trenches.

The president has appointed Generals Wade and Butler and Admiral Sampson as members of the Cuban commission. And as the Porto Rican commission, Generals Brooke and Gordon and Admiral Schley.

#### MORE SPANISH BRUTALITY.

Madrid, Aug. 16.—It is officially stated that Captain General Augusti obeyed orders from Spain in devolving the command of Manila upon Jaudenes, and that the latter will be tried by court martial for surrendering without making greater resistance.

#### ANOTHER REPORT FROM MANILA

By Cable to the Times-Visitor.  
MANILA, Aug. 13.—(via Hong Kong)—The city of Manila surrendered today. Four American ships bombarded Malate for hours, firing hundreds of shots. The Spanish surrendered 7,000 men, 12,000 stands of arms, together with an immense amount of ammunition. Our flag is now floating over the Philippines. The Spaniards were allowed the honors of war.

#### CUBA AND THE CUBANS.

By Telegraph to the Times-Visitor.  
SANTIAGO, Aug. 17.—Generals Wood and Lawton have sent word to the Cubans at Cobre, Bayamo, also to Camp Castillo that any attempt on the part of the Cubans to enter the city of Santiago with arms will be prevented by the Americans. The Cubans were informed that they might assist in the restoration of prosperity to the island by returning home and aiding the United States authorities in establishing order. The Cubans sent back word that they were trying to check the threatened outbreak among the Cubans, but that the dissatisfied element were very strong.

#### ONLY BAND MEN.

Lieutenant Christian this afternoon sent seven men from Clinton to Jacksonville as recruits for the First Regiment. He states that this will complete the First Regiment with the exception of a few band men. Nine men for the band were still lacking this morning. However, Lieutenant Christian secured one recruit for the band from Henderson later to-day, so he only wants eight now.

Don't forget the excursion to McCullers Station, over the new railroad, next Friday, August 19th. A grand time is expected all who go.

#### DEWEY'S OFFICIAL REPORT.

By Cable to the Times-Visitor.  
Washington, Aug. 17.—The following is the full text of Admiral Dewey's report of the fall of Manila:  
Manila, Aug. 13.—The city of Manila surrendered today to our land and naval forces after a combined attack. A division squadron shelled the forts and entrenchments of Malate, on the south side of the city, driving the enemy back, our army advancing at the same time on that side. The city surrendered about 5 o'clock in the afternoon, and the American flag was at once hoisted by Lieutenant Brumby. About 7,000 prisoners of war were taken. The squadron had no casualties. On the 7th General Merritt and I formally demanded a surrender of the city, which the Spaniards refused.

#### TRADE AND TRAFFIC OPENED.

By Cable to the Times-Visitor.  
NEW YORK, Aug. 17.—The steamships Lydia and Matanzas, both of the Ward line, will leave this afternoon for Havana, carrying mails and passengers, and a large cargo. These vessels are the first to re-establish direct traffic between the principal ports of the United States and Cuba, which was interrupted by the declaration of a blockade April 7th.

#### YELLOW FEVER AT MONTAUK.

By Telegraph to the Times-Visitor.  
MONTAUK, August 17.—The number of suspected yellow fever cases in detention at the hospital have increased from twenty-seven to thirty-six by the discovery of nine new cases aboard the St. Louis. The camp physicians consider this discovery of new cases as having a serious aspect, as the camp has not been quarantined as yet. Last night the following notice was posted: Orders have been received to quarantine the camp, but General Young says the order is not effective. In the opinion of army officers the camp should be quarantined should fever appear, but the right of State officers to force any sort of regulations upon what is practically a government reservation is pointedly disputed by the officers, considering that General Young alone can act in the matter. Some fear of civil and military authorities becoming entangled.

#### MUSTERING OUT.

(Today's Washington Post.)  
The mustering out of the volunteer army raised in defense of the Union against the armies of Spain practically began at the War Department yesterday, and will be continued until the army has been placed on a basis consistent with our present relations to the nations of the earth. Orders were prepared yesterday for the mustering out of about 35,000 volunteers, including nearly twenty-five regiments of infantry and about eight troops of cavalry and five or six batteries of artillery. The details of the order bearing on this subject has not yet been fully perfected, and the officials confine themselves to general statements in regard thereto.  
It was admitted that the First Regiment of Vermont Volunteers attached to the Third Army Corps, encamped at Chickamauga, Ga., had been ordered to proceed to Fort Ethan Allen, Vt. Adj. Gen. Corbin said that a similar course would be followed in the case of the other volunteer regiments selected for mustering out. They would be ordered to their State capitals as soon as it could be done without danger to the interests of the government, and mustered out of the military service as rapidly as possible.

#### THE PRIMARIES

### Democrats to Meet Next Friday

The Democratic primaries meet in Raleigh township Friday night next. The large number of primaries in the other townships meet Friday during the day.

The various candidates for the county offices are conducting an interesting though good natured contest for the nominations. The candidates are among the county's best citizens and an honest winning ticket is assured, whatever the result of the primaries and convention. Ex-Sheriff M. W. Page has as a contestant for the sheriffly nomination, Mr. George W. Norwood, of Neuse.

Mayor Russ and Mr. A. W. Moye are making an interesting fight for the nomination of clerk of the Superior court.

Either D. I. Fort, W. H. Hood and Millard Mial would make an excellent Register of Deeds. Friends are urging each gentleman for the nomination.  
Mr. C. C. MacDonald or Capt. B. P. Williamson will be the next county treasurer. The people would feel safe with either gentleman in charge of the county's funds.

Chairman L. S. Ellison, of the Democratic Executive Committee of Raleigh township, has called the primaries to meet August 19th at 8 o'clock.

The following is the call:  
The Democratic primaries in Raleigh township will meet on the 19th day of August, 1898, at 8 o'clock p. m. at the following places:

1st Ward, 1st and 2nd divisions at Metropolitan Hall.

2nd Ward, 1st and 2nd divisions at Court House.

3rd Ward, 1st and 2nd divisions at Jones' warehouse.

4th Ward, 1st and 2nd divisions at Academy of Music.

Outside West, 1st and 2nd divisions at the office.

Outside East, 1st and 2nd divisions at the rooms in rear of Metropolitan Hall.

At the said primaries delegates will be elected to the county convention to be held in Raleigh on the 27th day of August, 1898, and at these primaries a vote will be taken for the different candidates for office whose names may be presented and the delegates to the county convention shall vote these respective precincts in accordance with the votes, so taken at the primaries.

L. S. ELLISON, Chairman.

#### ANNUAL INSPECTION.

Central Hospital Inspected by Captain Denson and W. N. Jones.  
Recently Captain Denson and Mr. W. N. Jones, from the Board of Public Charities, made their annual tour of inspection through the Central Hospital for the Insane located at Raleigh.

Captain Denson stated to-day that the institution was found in excellent order. There are now more patients in the asylum than ever before in its history. However, the committee found the accommodations for females inadequate since there are now 255 women in the wing when it was only built to provide for 224.

Captain Denson said that the annex to the north wing for males which has just been completed is a perfect gem. It is a well-arranged hospital with an admirable system of shower-baths, pleasant balconies, is finely lighted and ventilated and can be reached without access to other parts of the building, thus affording good classification. The institution has been free from epidemic, serious or acute diseases, up to the present time, and shows a mortality scarcely exceeding two percent. This is a remarkable showing, and few hospitals can present a record which can compare with this.

#### POPULIST PRIMARIES.

Held Throughout the County Tomorrow and in Raleigh at Night.

The Populists throughout the county will hold their primaries tomorrow for the selection of delegates to the county convention which will meet in Raleigh next Saturday for the purpose of naming a county and legislative ticket. Although nothing can be definitely stated until the convention meets Saturday, yet it seems to be generally thought that the Populist part of the ticket will be as follows:

For the House of Representatives, L. N. Raines, of Wake Forest township, and Thad. Ivey.

For County Commissioners, the present incumbents, Chamblee and Barbee, have no developed opposition.

For Register of Deeds, Joe Rogers will be renominated although Joseph Goodwin is also a candidate.

For County Treasurer, the candidates are said to be Barnes, Rivers, Wynne and Knight.

For Coroner  
For Surveyor, Pittman Stell.  
The Republican part of the ticket will not be named until September 24, but political gossies are talking as follows:

For Senator, John Angier, of Cary.  
For the House, J. C. L. Harris.  
For Sheriff, Ham Jones.  
For County Commissioner, Jesse Ball.

For Clerk of the Court, D. H. Young. There are, of course, other candidates for these places.

#### THE ORPHAN CONCERT.

The Oxford Orphan Asylum choir, in charge of Mr. Will X. Coley, will visit Raleigh on Wednesday August 24th, and give a concert at Metropolitan Hall. This is a most worthy cause and our people will no doubt greet the little singers with a good house. The following programme will be given:

MRS. T. R. FENTRESS DEAD.

Yesterday afternoon at 1 o'clock, at the home of her son, Mr. Herbert L. Fentress, in Wilmington, Mrs. T. R. Fentress breathed her last. She was for many years a resident of Raleigh, coming here when first married, and remaining until after the death of her husband, the late T. R. Fentress. Here was raised her family, consisting of Miss Maggie Fentress, who married Mr. E. M. Nadal, of Wilson; George Fentress, who died in California; Miss Blanche Fentress, of Wilmington; Theo. L. Fentress, who died here, Herbert F. Fentress, of Wilmington; Mrs. Effie White, wife of Sam C. White, of Baltimore; and Mrs. Lula Taylor, widow of the late W. Ford Taylor.

Mrs. Fentress was a most lovable lady and was held in the highest esteem by a large circle of friends in Raleigh, for her christian virtues, modesty, wisdom, dignity of character and gracious manners. She was for many years a leading member of Edenton Street Methodist church.

The remains of this good lady arrived here this afternoon and were met at the depot by the Rev. W. C. Norman and friends of the family, and carried direct to the cemetery for interment.

#### MUSTERING OUT

### Regiment Will Doubtless be Brought to Raleigh Again

The announcement from Washington that 50,000 of the volunteers will soon be mustered out of service and that either the Second or Third Regiment from this State will be among this number, has caused no little interest throughout the city. Many questions are asked as to how the troops will be mustered out.

If the Second Regiment is mustered out of the service as a body, as many think will be the case, it can be stated with reasonable certainty that the plan of procedure will be as follows: The regiment will be ordered to the point where it was mustered into service, namely, Raleigh. The government will then send or designate some army officer to muster the regiment out. A detailed report must then be submitted to the army official from each company. This report will be a complete muster-roll of the company, namely, a concise history of every man in the company, from the day he entered the service until he is mustered out. The officer will then pay off the entire regiment according to these muster-rolls from the various companies. The government not only pays for all the time spent in the service, but in addition each man receives a day's pay for every twenty miles he has to travel to reach his home or the point at which he entered the service.

The work of compiling these muster-rolls and paying off the men requires much work and can not be accomplished in a day. Hence if the Second Regiment is mustered out now it is reasonably certain that it will remain a week or ten days before the soldiers are paid off and get their final discharge.

If the Third Regiment is mustered out an officer will simply be sent to Fort Macon and there pay off the men for their time and also one day's compensation for every twenty miles from Fort Macon to the point which the respective companies came.

#### MICAJA AND THE HOBO.

A Jewel Picked Up in the Street.  
A typical hobo, who appeared, as one the Vesuvius might have blown from Santiago here, was led to the bar of Judge Roberts' court this morning by Micaja, the janitor. His gait was sailor-like, yet his toilet betokened the want of naval discipline, decorum and sanitation. The Judge scanned the hobo closely and opened the blockade with hot shots of interrogatory:

"What is your name?" asked the Judge.

"Name," what's in a name," replied the hobo. "I have stood within the dock of police courts with George Washington, Thomas Jefferson, Henry Clay, John Brown and others, you might register me as Dewey, Schley, Hobson, Cervera, Weyler or even Blanco, yet I have been known as plain John Smith—Simply John, without an R."

"What do you do, sir?" continued the Judge.

"Do," responded the hobo. "Why sir, when I strike a village I fuse, and here I find a splendid opportunity to fuse."

"How do you subsist?" inquired his worship.

"Subsist, why sir, I eat pie, with or without a top crust. It is the fundamental law in fusing to eat pie. This bailiwick owes me pie. I let a generous public act as confidential agent and collector of pie. The Dockerys can not eat it all."

"Where is your home?"

"Home, home, sweet home, be it ever so humble—there's no place like Raleigh for grassy sidewalks, dog killers and pie-eating fuseses."

"Should I release you now, will you report to me tomorrow morning?" asked Judge Roberts.

"Report! a fusionist never reports. It is inconsistent with our organization to permit the right hand to know if the left hand holdeth pie. We eat, drink and be merry, for tomorrow there may be NO PIE."

"What do you think then, I had better do with you?" finally interrogated the Judge.

"That, sir, may it please your worship, is asking of me an opinion from which, if given you might dissent. Yet since you ask it I will say, take me into keeping, wash and scrub me, sleep and grub me—but give me pie. Then prepare your protocol of peace and I will scrutinize its conditions and delegate authority to my friend John Upchurch to reject it or for me and in my stead affix my signature."

"After thirty days hard labor on the roads," said the Judge, "there will be an order issued for a cessation of pork and beans and you can return to your pie."

#### BUSY MOVING.

Southern Railway Officials Will Now Occupy Their New Quarters.  
The general offices of the Southern Railway Company are now being moved from the Yarrowhouse to their new quarters in the Capital Club building, corner of Salisbury and Martin streets. Col. A. B. Andrews, First Vice President of the road, and his force, composed of Messrs. Miller, Smith, Hearrt, Wells and McKee, will have spacious quarters on the first floor east side of the building. Of course Dan Polk will be a familiar figure in the new quarters.
